

**ZULF VOWS TO CHANNEL ALL DESTRUCTIVE RAGE  
AGAINST BILL GATES AND DESTROY AND KILL AND  
ANNIHILATE HIM FROM EXISTENCE**

ZULFIKAR MOINUDDIN AHMED

I, Zulfikar Moinuddin Ahmed, want to vow to reserve all my destructive rage, all my wrath, all my anger, all my murderous feelings away from my aunt and others and only towards totally wiping Bill Gates from existence, towards erasing his legacy, towards destroying him physically and in every other way, and repeatedly renew my faith that I must destroy, kill, murder, and eviscerate Bill Gates above all. I rejuvenate my faith that he deserves this more than anyone else.

Of course I will do these things without violating United States law or International Law.
