

# MUSLIMS DO HAVE A TENDENCY TOWARDS CONSIDERING BEATING WIFE TO MORE OKAY THAN CHRISTIANS AND OTHERS

I'm too sexy for my love Too sexy  
for my love Love's going to leave  
me  
I'm too sexy for my shirt Too sexy  
for my shirt So sexy it hurts  
And I'm too sexy for Milan Too  
sexy for Milan, New York and  
Japan  
And I'm too sexy for your party  
Too sexy for your party No way  
I'm disco dancing

Muslims have a tiny bit more probability of considering wife beating to be justified than Christians and Others.

| Religion  | Percent Against |
|-----------|-----------------|
| Christian | 89.95           |
| Muslim    | 89.53           |
| Other     | 93.81           |

That's quite unfortunate. Well I was hoping for a more interesting result, but these are Zulf numbers, extremely reliable. I don't see significant difference here.

## 1. ARE MUSLIMS OR CHRISTIANS MORE VIOLENT AT INDIVIDUAL LEVEL?

7. ARE MUSLIMS OR CHRISTIANS MORE SURE THEIRS ALONE IS RIGHT?

This is true and significant that Muslims are more certain that their religious path is the only right one. But I am from a Muslim family, and I was Atheist since six and no one ever tried to stone me to death. I don't get too involved with Muslims faithful conversations just telling them I am not Muslim sorry.
