

ZULF'S FEBRUARY 16 2022 3:11 AM FREE OPTION FOR BLOOD FEUD WITH HIGH US GOVERNMENT OFFICIALS

So Asia, I don't know the rotten little cunts who backed Bill Gates high up in United States Government. Now Bill Gates is a dyed-in-the-wool born psychopath with a career in meta murder. He'll be destroyed one way or another. I think there might be some *value* in blood feud with his US Government High Officials of *independent strategic interest*. Why don't all Asian Nobles get together and discuss this. Do you want a blood feud with some traitors backing a white supremacist plotting slavery and colonisation such as Bill Gates? What is the exact vendetta here? What do you think? Let's do a Roman Emperor sort of thing like this:

I've never really done a serious blood feud with geopolitical consequences before. I think it ought to be a decision to make after all Asian Nobles have had a chance to consider it.

1. I WOULD LIKE CONSENSUS ACROSS NOBLES FROM WEST ASIA, EAST ASIA, SOUTH ASIA, CENTRAL ASIA PLEASE

I need consensus view of all nobles from across Asia please. Japanese Nobles and Iranian Nobles and Indian and Indonesian and Sri Lankan and Pakistani and Chinese and Korean Nobles all ought to come to a reasonable consensus here. I will give you my entire oeuvre of writings for your convenience [1]. Please do not leave behind Asian Nobles from any Asian Nation small or large please. There needs to be some common consensus on issues of Bill Gates cutting into the Deep Interior of Asian-American Nobles with US War Power and US Industrial Power and White Racial Power to harm us. These discussions must be Pan-Asian please.

Date: February 16, 2022.

Asian Nobles ought to have a clear common understanding of how these situations are handled. I dislike anarchy. Please be respectful to each other.
