

**OPEN LETTER TO UNITED STATES SENATORS NOVEMBER
18 2021**

ZULFIKAR MOINUDDIN AHMED

Dear United States Senators,

I am American. I immigrated to the United States in 1987. I received my Permanent Residency, immigrant visa in 1997 and it is valid and expires in 2031; it is USCIS# 046-077-179. I believe that all men are created equal, endowed by our Creator with certain natural rights, among them Life, Liberty, and Pursuit of Happiness. I believe that governments are instituted among men to secure these rights. In my beliefs, I am in accord with the founders of our Nation. I have earned \$620 million from legitimate – and painstaking and difficult labour of many years – from my genius in Finance. D. E. Shaw & Co. are trading based on my breakthroughs in Finance the Medium Frequency Strategy, some \$6 billion. From them I have legitimate earning of \$120 million. From Christine Lagarde of European Central Bank I have a gift of \$500 million. Thus \$620 million is my private property. I demand that the United States Government meet their Constitutional mandate and ensure that my private property is not denied to me, along with my American Dream, denied to me by the confessed murderer and career charlatan and criminal Bill Gates.

Thank you,

ZULFIKAR MOINUDDIN AHMED

Date: November 18, 2021.
