

WHY BILL GATES IS THE DUMBEST FUCK ON EARTH

ZULFIKAR MOINUDDIN AHMED

Forget all the strategic blunders of Bill Gates in Microsoft, the third rate software company. He used his *entire Industrial Power* in my deep interior to destroy me. Let me assure you that I am not the sort of cat who wants this sort of 'special attention'. My self-esteem is based on actual immortal genius works, and I did not ask Bill Gates to do this.

Anyway, let me show you my counter.

See i am not a power monger. I was just pursuing my American Dream. This little wretched cunt uses US War Power in my Deep Interior while I was just going to get some money for my Medium Frequency Strategy where he put in \$2 billion. David E. Shaw owes me \$120 million. He blockaded \$500 million from Madam Lagarde to me. So I am starved of income, being degraded by people, and my health and mind are accosted. United States Government will be held responsible for all this because they are Constitution-bound to secure American Natural Rights.

Date: January 26, 2022.

See this orange, this is just an orange. It's nutrition for my organic body. My body will absorb the *entire Industrial Power* of Bill Gates and regenerate slowly. I won't be successful and happy for a while, and be on disability. But I impressed Stanford Mathematics by doing the Ph.D. Quads for some years and I am productive every day.

And what will happen to Bill Gates Industrial Power? It'll be gone, never to return. The little dickwad will not even have *killed this 'little guy'* and I played Natural Rights World Order in United Nations right away and he is still going to be dreaming about ruling the world with white supremacist power in the 33rd century. I united all of Asia under a flag and checked more American Wars in Asia.

What a little moron this man is. He could have just let me have my money and pursue my American Dream. Instead he got orange'd out of existence.
