

**HARVARD IF YOU FAIL TO TAKE A STAND AGAINST EVIL  
AND INJUSTICE YOU WILL BURN TO ASHES**

ZULFIKAR MOINUDDIN AHMED

Harvard Bill Gates is Evil incarnate. He represents pure malevolence and greed for power to harm people. If you do not take the right side, God have mercy on you. You will be destroyed and burned to ashes. You take grave risks for the institution that once had Ralph Waldo Emerson give his immortal lectures. I am surprised at your moral craven-ness to suggest that Bill Gates has power and so you will take a morally compromised position. You are out of your mind.
