

JOE BIDEN WIPE OUT BILL GATES AND WHITE ORDER CANCEL MILITARY EXCURSION IN UKRAINE

Joe Biden, White Order and Bill Gates are existential threats to United States. Israel's Mossad did 9/11 and United States expended two decades on wars that hurt us. Do not repeat the error as I have told Asia that American troop deployment in Ukraine is Trojan Horsing Asian Manifest Destiny plans from deep state freakazoids who are nominally in your government.

Anyway, don't waste American resources in Ukraine. Nix all Ukraine activity. Concentrate all defense resources to witch-hunt and slaughter all these White Order people in America. They are your worst nightmare, and an existential threat to United States.

Thanks,

1. BACKGROUND

Joe Biden you just considered and found that Bill Gates had cut up my eyes and he used Industrial Power, US War Power, White Racial Power to devastate my Deep Interior. These are acts of war, and I am displeased that he was allowed to continue by the United States Government for two years now. These sorts of evil malevolent lawless disgusting vile criminal scumbags like Bill Gates ought to have been slaughtered before they harm American Natural Rights. You came to Presidency with the promise that these tribal white supremacy types would be suppressed and not disturb lawful Americans from pursuing their legitimate American Dreams. What happened exactly? Why are you pushing for troops in Ukraine when these scumbags are America's greatest existential threats? Bill Gates blockaded \$620 million of my legitimate income. You can ask Madam Christine Lagarde and David E. Shaw to verify. Why does an illiterate uncouth hick who lied and deceived and conned people all his life able to damage my Finance career at all? Why am I blockaded from tenure at Stanford and Harvard? What the hell is your Administration actually doing for us, the American people?
