

**BILL GATES USED ENOUGH POWER TO PUMMEL FIVE OR  
SIX DECENT SIZED COMPANIES TO DESTRUCTION ON  
MYSELF**

US Government consider today, August 11 2021, showed that Bill Gates has used directly on me, starting with violating my Body with US War meta many months ago, enough power to pummel five or six decent sized companies to destruction. He had cut through my Blood meta, claiming "white right" unprecedentedly in known history into my Deep Interior after destroying my interior, my Romantic Meta, attempted to destroy my seed in my Sexual Meta. These are not just deep violations of my Natural Rights which the United States Government is obligated to secure, but they are Crimes Against Humanity for he had used both Conquest and Enslavement meta in my deep interior, and used US Military meta to mince my flesh, and other vile evil malevolent acts with his power including injection of huge amount of pain several days ago.

It is obvious to any objective rational unbiased person that Bill Gates must be wiped out immediately for he is a murderous criminal without any regard for Civilised norms or US Law.

Now I am surprised that such a malevolent criminal was not wiped out and made extinct in the late 1970s already because it is quite clear that he is a habitual murderer, with meta means rather than physical world means. He ought to have been wiped out by heavy military lethal force then, or six months ago. Now I am forced to hold US Government responsible for extraordinary harm done to my life and I will ensure that US Government pays \$1 trillion in fines for ignoring my call to end the criminal murderous acts of Bill Gates for the past year.
