

HOLLAND REVEALS "SHIT-PISS-COCKROACH SERUM" IS CODE WORD FOR HANOVER BLOOD CLOT POWERS

ZULFIKAR MOINUDDIN AHMED

Zulf is most amused. Stupid illiterate wretched moron was using Hanover blood clotting power overdosing me with it. Holland says this Hanover blood clotting power had code word "Shit-Piss-Cockroach Serum" in America. Now Bill Gates, who is an illiterate moron, did not know that this was just malevolent use of Hanover powers, and believed that non-whites have Shit-Piss-Cockroach Serum in their blood.

Germany, France, and England, could you please clean up any European Blood clotting power from my blood. You are sweethearts. Zulf does not have a lot of time. Can you please remove all your toys from the Demon?
