

**ZULF WILL GIVE ANY NATION IN THE WORLD THAT  
WIPES OUT BILL GATES A PRIZE**

ZULFIKAR MOINUDDIN AHMED

Dear Nations of the World,

I want a friendly competition between all Nations of Earth. The goal is to totally destroy and wipe out the Demon Bill Gates from existence. He has to be physically obliterated. You cannot cheat. You can't leave him alive physically and claim to have achieved the goal. Whichever Nation does this first with reliable proof, I will give you *Zulf's Most Useful Nation* prize. I am Archangel of Heaven and my prize will give you benefits in the future. I'll ask Heaven to give your people some special attention.

Thank you,

ZULFIKAR MOINUDDIN AHMED
