

MESSAGE TO WESTERN PEOPLES

ZULFIKAR MOINUDDIN AHMED

Dear Western Peoples,

You too are my beloved people, and I do love you. But I am displeased that you allowed a Demon to prosper and plot the enslavement of the human race. This "Bill Gates" is an evil Demon. His minions include American Pentagon War Chiefs.

I was here, on this very world, late twelfth and early thirteenth centuries. I revered one of your illustrious past Monarchs, Richard the Lionheart. I was an English boy during his death in 1199. England would have burned this "Bill Gates" at the stake and his minions too. America has disappointed me in this regard.

A Demon on Earth is bad. Demons do not belong on Angelic Worlds. Kill Bill Gates and purge the American Government of all its minions. You will be marked unnecessarily negatively by the Archangels if I am murdered by a Demon on Earth. That would be a pity.

Sincerely,

Zulfikar Moinuddin Ahmed

Archangel of Heaven
