

## SHORT NOTE FOR OXFORD AND HARVARD HISTORIANS FOR SEPTEMBER 11, 2001

ZULFIKAR MOINUDDIN AHMED

You are serious historians, Harvard and Oxford, so I won't stand on ceremony about this. I have spent quite a bit of time trying to resolve the events of September 11, 2001.

First, I have direct evidence that Isser Harel and his coterie had been thinking about the idea of Muslim terrorists destroying and damaging *tall buildings* in America from before 1979. In fact the 1993 bombing was also purely Mossad.

The evidence comes from Christian Evangelists who had known Isser Harel directly. I will show it to you, beautiful primary source here.

### 1. EVANS PUBLISHED PROPHECY

Why do you say that America's story is contained within biblical prophecies?

America stepped into the eye of a prophetic storm when it took covenant with both Ishmael and Isaac, the sons of Abraham, the Arab and the Jew. With one of them, Isaac and the Jews, American carries guilt over the death of six million Jews. That's because Franklin Roosevelt for eight years refused to acknowledge Hitler was killing Jews because Roosevelt was trying to appease Stalin, Mussolini and King Saud so they would join him in the war.

The second one, Ishmael and the Muslims, America used for political expediency-for oil. America stepped into the middle of a prophetic storm because of cutting its covenant with two brothers which are part of prophecy. Most of the Bible talks about this battle between these two brothers, and we're right in the middle of that.

On Sept. 23, 1979, the founder of Israeli intelligence over dinner told me that America was developing a tolerance for terror. The gentleman's name was Isser Harel, the founder of Mossad Israeli intelligence-he ran it from 1947 to 1963. He told me that America had developed an alliance between two countries, Israel and Saudi Arabia, and that the alliance with Saudi Arabia was dangerous and would develop a tolerance for terror among Americans. He said if the tolerance continued that Islamic fundamentalists would ultimately strike America. I said "Where?" He said, "In Islamic theology, the phallic symbol is very important. Your biggest phallic symbol is New York City and your tallest building will be the phallic symbol they will hit." Isser Harel prophesied that the tallest building in New York would be the first building hit by Islamic fundamentalists 21 years ago. [1]

### 2. WHAT DID BIN LADEN SAY?

Ummat: You have been accused of involvement in the attacks in New York and Washington. What do you want to say about this? If you are not involved, who might be?

---

*Date:* November 28, 2021.

Usamah: In the name of Allah, the most beneficent, the most merciful. Praise be to Allah, Who is the creator of the whole universe and Who Made the earth as an abode for peace, for the whole mankind. Allah is the Sustainer, who sent Prophet Muhammad for our guidance. I am thankful to The Ummat Group of Publications, which gave me the opportunity to convey my viewpoint to the people, particularly the valiant and Momin [true Muslim] people of Pakistan who refused to believe in lie of the demon. I have already said that I am not involved in the 11 September attacks in the United States. As a Muslim, I try my best to avoid telling a lie. I had no knowledge of these attacks, nor do I consider the killing of innocent women, children, and other humans as an appreciable act. Islam strictly forbids causing harm to innocent women, children, and other people. Such a practice is forbidden ever in the course of a battle. It is the United States, which is perpetrating every maltreatment on women, children, and common people of other faiths, particularly the followers of Islam. All that is going on in Palestine for the last 11 months is sufficient to call the wrath of God upon the United States and Israel. There is also a warning for those Muslim countries, which witnessed all these as a silent spectator. What had earlier been done to the innocent people of Iraq, Chechnya, and Bosnia? Only one conclusion could be derived from the indifference of the United States and the West to these acts of terror and the patronage of the tyrants by these powers that America is an anti-Islamic power and it is patronizing the anti-Islamic forces. Its friendship with the Muslim countries is just a show, rather deceit. By enticing or intimidating these countries, the United States is forcing them to play a role of its choice. Put a glance all around and you will see that the slaves of the United States are either rulers or enemies [of Muslims].

The US has no friends, nor does it want to keep any because the prerequisite of friendship is to come to the level of the friend or consider him at par with you. America does not want to see anyone equal to it. It expects slavery from others. Therefore, other countries are either its slaves or subordinates. However, our case is different. We have pledged slavery to God Almighty alone and after this pledge there is no possibility to become the slave of someone else. If we do that, it will be disregardful to both our Sustainer and his fellow beings. Most of the world nations upholding their freedom are the religious ones, which are the enemies of United States, or the latter itself considers them as its enemies. Or

The countries, which do not agree to become its slaves, such as China, Iran, Libya, Cuba, Syria, and the former Russia [as received]. Whoever committed the act of 11 September are not the friends of the American people. I have already said that we are against the American system, not against its people, whereas in these attacks, the common American people have been killed. According to my information, the death toll is much higher than what the US government has stated. But the Bush administration does not want the panic to spread. The United States should try to trace the perpetrators of these attacks within itself; the people who are a part of the US system, but are dissenting against it. Or those who are working for some other system; persons who want to make the present century as a century of conflict between Islam and Christianity so that their own civilization, nation, country, or ideology could survive. They can be any one, from Russia to Israel and from India to Serbia. In the US itself, there are dozens of well-organized and well-equipped groups, which are capable of causing a large-scale destruction. Then you cannot forget the American Jews, who are annoyed with President Bush ever since

the elections in Florida and want to avenge him. Then there are intelligence agencies in the US, which require billions of dollars worth of funds from the Congress and the government every year. This [funding issue] was not a big problem till the existence of the former Soviet Union but after that the budget of these agencies has been in danger. They needed an enemy. So, they first started propaganda against Usamah and Taleban and then this incident happened. You see, the Bush administration approved a budget of 40bn dollars. Where will this huge amount go? It will be provided to the same agencies, which need huge funds and want to exert their importance. Now they will spend the money for their expansion and for increasing their importance. I will give you an example. Drug smugglers from all over the world are in contact with the US secret agencies. These agencies do not want to eradicate narcotics cultivation and trafficking because their importance will be diminished. The people in the US Drug Enforcement Department are encouraging drug trade so that they could show performance and get millions of dollars worth of budget. General Noriega was made a drug baron by the CIA and, in need, he was made a scapegoat. In the same way, whether it is President Bush or any other US president, they cannot bring Israel to justice for its human rights abuses or to hold it accountable for such crimes. What is this? Is it not that there exists a government within the government in the United States? That secret government must be asked as to who made the attacks. [2]

### 3. ZULF'S OWN INFERENCES

My own view I will present, that Bin Laden and al Qaeda had no interest in destroying tall buildings in America ever at all. They had their agenda in West Asia mostly. The idea was interesting to Isser Harel and his coterie in Israel, that Muslim terrorists are interested in doing this. Israel might have considered tagging Islamic fundamentalists as enemies of Americans as a valuable step to further Israel's future safety. So Israel staged some Muslim hijacking to trigger American War plans. American people, wary of seeming anti-Semitic if they pushed harder acquiesced.

### 4. SEPTEMBER 11 2001 IS UNIMPORTANT

What is important is not September 11 2001 but the Asian Manifest Destiny Genocidal project that began long before these past two decades going back to the 1950s. The Middle East Wars were just triggered by Israel. America's vision was to have global military hegemony regardless; Korea did not have any Muslim fundamentalists; Vietnam did not either. So Muslim fundamentalism is not a serious issue in the Asian Manifest Destiny program of American Government. It's just one peg in the show.
