ADVISE ARNOLD SCHWARZENEGGER AND BARACK OBAMA**

ZULFIKAR MOINUDDIN AHMED

We cannot have a total destruction of the Republican Party. George F. Will will you please rejoin the Republican Party and advise Arnold Schwarzenegger please. Mr. Obama, give up Democrats for a while and just help preserve the Republican Party if Mitch McConnell's unwise moves threatens a Democratic Party Tyranny on our Republic. This is very bad, because Republicans were thrown off their rails by Donald Trump's funky moves and lost their bearing going into Nazi turf. Arnold Schwarzenegger all your hero movies was for this moment. Be a good hero. American People needs you.
