

**FEBRUARY 23 2022 3:45 AM IT'S ELEMENTARY MY DEAR  
WATSON NO WASHINGTON POLITICIAN WILL TOUCH OR  
SUPPORT BILL GATES EVER AGAIN**

In this note I will elucidate the rational reason why every Washington Politician from far left to far right, from extremely dark to extremely pale complexion, from every part of America will abandon Bill Gates permanently.

You see it is not just *true* that Bill Gates was plotting genocide of all non-white Americans for decades behind the scene, but it is also true that in a high level government consider with a judge involved, he *revealed* his obsession of many years with *pride*.

The reasoning, my dear Watson, is elementary. You see Washington politicians are playing in an arena of a *anemic but still functioning* multi-ethnic classical liberal democratic republic, and presumably they want their cushy lives based on the generous support of *masses of Americans* that they will lie to and manipulate, and once in a while *serve*. So they will not give up their cushy lives to support anyone at all who has *revealed his plot to genocide* 40% of the American population regardless of their own various racial biases because they are self-interested in not getting mobs of americans burning them at the *stake*.

Therefore, all Washington politicians will drop support for Bill Gates because he can't bribe them with enough money to lose their lives to the mobs of angry Americans because that money will be worthless if they're burned at the stake.

The key here is money is valuable when you are *not burned at the stake by mobs of angry Americans* and after that money is not worth much because I can assure you that post-death environment is not nearly as commercial as pre-death cushy life in Washington.

**1. ALL US GOVERNMENT AND NOT ONLY SENATE BEAR RESPONSIBILITY FOR  
ALL HARM TO ME BY BILL GATES**

Look United States Government, Bill Gates breached my Blood Meta more than a year ago. It's against the Law. India told you explicitly that Bill Gates breached my Blood Meta and that indicates *criminal intent*. Why didn't you kill him a year ago? Then you say that you *didn't know* that anyone breaches Blood Meta. You mother fuckers are lousy at doing anything for American people. I can assure you that he's been doing this for more than forty years okay? You take our money for what exactly and live cushy lives? What the fuck!!!! Eliminate Bill Gates immediately. What do you mean "Oh we didn't know." You take \$1.1 trillion in taxes from us you stupid sons of bitches. How did you not know what is clear as day to anyone not asleep on the job?
