

WHY I AM ORDERING TOTAL DESTRUCTION OF BILL GATES AND HIS WEALTHY WHITE CO-CONSPIRATORS

ZULFIKAR MOINUDDIN AHMED

Bill Gates and his Wealthy White Co-Conspirators for various sorts of Racial World Orders have various reasons to be punished by United Nations Security Council for conspiracy to commit war crimes against an American.

But my own view is very simple. I am an immortal genius, one of the greatest geniuses who has ever existed on Earth, and despite their land and wealth and mansions, these men including Bill Gates, are Amoeba to me. They not immortal genius. If they had been doing their business with some other man, I would perhaps not be concerned, but they harmed me, disrupted my peace, and I will want them destroyed and obliterated. I do not tolerate these little Amoeba when they bother such a Great Genius as myself. Their lives are forfeit.
