

**AMERICAN GOVERNMENT WHITES LOOK I DON'T FIT
NEATLY INTO YOUR BOXES OF AMERICAN LIBERALISM
AND CONSERVATISM**

ZULFIKAR MOINUDDIN AHMED

American Government Whites, look, I do not fit neatly into your boxes of American Conservatism or Liberalism. On one hand, I am strongly for right for people to have abortions. That is considered a Liberal position. On the other hand I am strongly for rights for fathers and horrible catastrophe of fatherless children in the world. That's considered a Conservative issue in America. I am not schizophrenic. I hold both of these positions because I have conviction on these. I don't want you to peg me into neat boxes. I will literally overflow them.

I won't go into my whole political philosophy but I am strongly for all men are created equal with natural rights of life, liberty and pursuit of happiness and governments are instituted to secure them. I want natural rights of all people secured on Earth period. I consider organisations that do not do so illegitimate and ready for re-organisation anywhere on Earth. So I am a universalist and I am strongly a champion of moral virtues by habituation as well as virtues of romantic love.
