

THE ARCHANGEL VIEW OF EARTH

ZULFIKAR MOINUDDIN AHMED

Why would someone sacrifice their lives and dedicate their sufferings for Natural Rights of people in China and Burma and Russia, and Belgium and Switzerland, and Kenya, and Nigeria, and Mexico when they have no relations there?

I am an Archangel. Archangels see the world a bit differently. I will strive to get you to see my way. My natural view of Earth is a bit different from many others.

The Coldplay song *Politik* is closer to an Archangel view of the world.

Look at earth from outer space
Everyone must find a place
Give me time and give me space
Give me real, don't give me fake
Give me strength, reserve control
Give me heart and give me soul
Give me love, give us a kiss
And tell me your own politik

Date: November 18, 2021.

Open up your eyes
 Open up your eyes
 Open up your eyes
 Open up your eyes
 Give me one, cause one is best
 In confusion, confidence
 I give me piece of mind and trust
 But don't forget the rest of us
 Give me strength, reserve control
 Give me heart and give me soul
 Wounds that heal and cracks that fix
 My love tell me your own politik
 Open up your eyes
 Open up your eyes
 Open up your eyes
 Open up your eyes
 And give me love over
 Love over, love over this, ahh
 Give me love over
 Love over, love over this, ahh

1. A FEW WORDS ON "BIGNESS"

Bill Gates has been repeating 'I'm big' nonstop in my meta for a year. Well no, he's very very small to me. You see, for me all of Earth is small. The whole world is small. It is not small in size compared to my physical body, but my Soul is vast and cosmic, so my view is much grander than his. I am an Archangel, and measure size differently.

Let me put things in context. I was never interested in being a landed feudal aristocrat. I have always had relatively modest lodging. I have lived in reasonable apartments in Gramercy New York and Mission San Francisco. Bill Gates has been buying up land because he thinks landed aristocracy is good and he wants to rule the world. Well as landed aristocracy goes, he is puny compared to any Chinese Emperor of the past. He's puny compared to Augustus the Roman Emperor and Napoleon, puny compared to Alexander of Macedonia and Julius Caesar. These men controlled actual empires vaster than his total holdings. And I am vaster than all of these Emperors. Therefore it is trivial that I am much bigger than Bill Gates. Far from Earth, money and power of Earth is meaningless you see. But the eight billion living souls are meaningful.

2. ACTUAL NUMBERS

My total land ownership is not even a single plot of land, I even gave away land properties that I inherited from my father to others in Bengal. I own no land in America. Bill Gates owns 269,000 acres. So that is large.

The Yuan Dynasty covered 5.41 million square miles of land - more than 9% of the earth's landmass. The empire had almost 60 million people in 1291 — about 17% of the world's population.

Let's put that in actual proportions. Bill Gates owns 420 square miles. Yuan controlled land mass of 5.41 million. So Yuan Dynasty was 1.24 million times

'bigger' than Bill Gates by land control. Bill Gates is so puny compared to Yuan Emperor of 1290 that he is not even visible with a microscope to them.
