

## **BILL GATES DOES HORRIBLE EVIL ABOMINABLE UGLY INHUMANE THINGS IN MY META BECAUSE HE IS AN EVIL DEMON INCARNATE**

I keep hearing US Government officials and others keep asking Bill Gates about horrible cuts and evil horrible destruction that he has done, "Why did you do these things?"

This is just very stupid. It's like asking a rabbit why did you run around in circles in the grass? It's like asking a poisonous viper why did you curl up and start making sizzling noises ready to bite and kill some prey.

Bill Gates does horrible evil inhumane abominable things because he is an Evil Demon Soul that was born on Earth. There is nothing more or less to this. He does these things because he is an Evil Demon Soul incarnate and so this is his nature. He does not do those things by chance, and his justifications are senseless, "I am white and so I had white right and so I did these things." That is meaningless gibberish obviously because white morals are not significantly different from morals of other ethnicities, Indians, Far Eastern, Black, Arabs, etc. His justification can be ignored. The truth is that he is Malevolent Evil because he is a Demon Soul and so he does things that express his nature. He could not be otherwise.

You see, modern people do not understand the nature of evil. He, Bill Gates, is an Evil Demon Soul that was born in human womb in 1955, and he was psychopathic, a weak term that just tells us that he was abnormal in his moral sympathy for suffering of others and lacked moral compass. This only tells us how he was relative to other people. It does not tell us anything about how he is actually from his own nature. He was just a Demon Soul born on Earth.

His belief is that white people are meant to plot misery and harm to non-whites. It's obviously not true. But he is an Evil Demon Soul born on Earth and so he just began to feel comfortable with the idea that other white people are like him, and he was by nature destructive and malevolent without any guilt or contrition all his life. He gained *comfort* by the false belief that other white people were just like him, and refused to believe otherwise throughout his life.

### **1. SIMPLEST EXPLANATION IS THE BEST EXPLANATION**

It is true that most human beings are not Evil Malevolent Destructive and so on. That's because most human beings are not Evil Demons born in human form. Most are Angelic; we are an Angelic Race. Bill Gates is an anomaly. He's an Evil Demon Soul that was born on Earth. He does horrible evil things because that is just the nature of Demons. You cannot change it, and it is not strange either.
