

**ZULF INVOKES DIVINE AUTHORITY AND CURSES FIFTY
GENERATION OF PROGENY OF WHITE PEOPLE IN
AMERICAN GOVERNMENT**

ZULFIKAR MOINUDDIN AHMED

I, Archangel of Heaven, shall now invoke Divine Authority and curse all White People in American Government, all 1.4 million, so that their progeny for fifty generations will suffer as I have due to their refusal to kill the Demon Bill Gates even after he had done unspeakable horrible harm to me. This will begin in two days, December 13 2021.

I don't much care if some of the fifty generations of your progeny escape my curse or they fail to do so. My curse is justified, just, right and good.

1. MY STATURE IN THE UNIVERSE IS UNAFFECTED BY CURSE EFFECTIVENESS

You see, American Government White People, Bill Gates is a Demon. You should have killed him forty years ago. He harmed me tremendously for more than a year. You did not kill him. I have suffered as a result of your malevolent illegitimate evil decision. I don't have any guilt about cursing all of your progeny for suffering as I have for fifty generations.

But I also don't care if they actually suffer as much as I have. I am an Archangel of Heaven. There are many mechanisms in the Universe that is invoked when I invoke Divine Authority. I don't really care if they work very well on my curses.

If your progeny for fifty generations suffer as I have as a result, good. If they don't, I won't be that concerned either. My stature in the universe will not diminish as a result. You have two days.

Thank you,
Zulfikar Moinuddin Ahmed
