

**ZULF'S DRAMATIC LETTER TO THE US GOVERNMENT
HIGHER UPS**

ZULFIKAR MOINUDDIN AHMED

US GOVT HIGHER UPS YOU DON'T HAVE ANY IDEA WHAT YOU WILL
UNLEASH IF YOU DO NOT TOTALLY WIPE OUT BILL GATES

Allen Texas July 3 2021

I am not Muslim, US Govt Higher Ups. I will create a NEW RELIGION from the American pent up frustrated passions of the heart that will be CONSECRATED with YOUR BLOOD FLOWING IN THE POTOMAC which will fill American Soul with a purpose and Holiness. American religion has always been far too weak compared to the rise of Christianity in Europe. You want to touch this with cleverness, be my guest, but AXIAL AGE as a contained era of rise of religions is an idiotic concept. Religions express deep faith in something that is true and just and I can touch the American heart deeper than any Evangelical Pastor.

It's up to you. Bill Gates has vowed to destroy my life. I have no choice. I will do what I must. Know what you are doing. I won't carry any weapons with me. I don't need to. American Soul will be revived in Fire and Blood in the end if you miscalculate. So don't miscalculate. I am needed by my Beloved People the Human Race. You are less. Thanks, ZULFIKAR MOINUDDIN AHMED
