

## ZULF FORMULATES NARRATIVE OF AMERICAN WHITE GOVERNMENT WAR ON WORLD'S NON-WHITES

ZULFIKAR MOINUDDIN AHMED

Today is December 9 2021. I have already looked at some legal means, some geopolitical world order moves. Today I am going to begin a new play. This is also based on actual events, but it is broader than my previous efforts.

I do believe that all people are my beloved people, including the white people of the world. However, I do not know what game the American Government Whites are playing, and my life is threatened and I must not leave any stone unturned to secure my life.

This play depends on noting that Bill Gates had used *US War meta* against my *Body meta* before January 23 2021. I keep track of time roughly by email dates when I mention things. I do not remember what exact day he did this first. I do know that Steve Jobs noticed that Bill Gates did something that is against Geneva Conventions even against prisoners of war.

Ladies and Gentlemen,

To Supreme Court and US Justice in meta, Bill Gates was asked if he felt disgust at entering another man's sexual meta. I will try to be as high fidelity as possible here. It's quite intriguing.

He said, "he was resistant to white control and therefore I had to enter his sexual meta and destroy his seed". Very good, very interesting. I immediately responded that Bengal has 120 million who were resistant to white control of Britain for more than three centuries and this was just fine. But let us consider Bill Gates' frame of reference. Bill Gates would violate US Law, Natural Rights, taboo of all religions to make an aggressive move using US War meta to damage my body meta. He seems to think he is in some sort of WAR with me. Well, I am American, and I did not know that I was in a war with Bill Gates or that "White Control" was a War on all nonwhites. Well it is not except in Bill Gates' demented mind. Supreme Court and US Justices ought to consider this alarming for people who live in such fantasies ought not have any senior position in US industry at all. He is positively deranged for thinking that (a) He ought to take aggressive and reckless acts of horrific evil pretending that there is a war to control nonwhites (b) Delusional people like Bill Gates ought to be put away in a mental hospital or something to keep nonwhite Americans safe

Thank you, ZULFIKAR MOINUDDIN AHMED

## 2. COMMENTARY

Note that on January 23 2021, at least 320 days ago, I was worried about safety of non-white Americans. I will now do a few assumptions for a new narrative.

- Since US War Power is only legitimate for use by and in control of United States Government, I will assume that he *acted on behalf of United States Government*
- I will assume that United States has an undeclared war against all non-whites on Earth

How absurd are these assumptions? Well, I was attempting to give the benefit of the doubt to United States Government since I am American and not assume that Bill Gates, who is not part of American Government, was acting as an instrument of the American Government. But 320 days after American Government knew that Bill Gates had used US War meta against a legitimate law abiding American he is still at large and supported by high level American Government white officials. This is quite outrageous from international law perspective. Therefore it is quite reasonable to assume that he did not have accidental access to US War meta but was given this access and that United States Government has a war that is secret and undeclared against all Earth's non-whites.

Since United States Government has harmed me with unprovoked use of US War meta, my duty is to warn all non-whites on Earth that in fact United States Government has an undeclared war against all non-whites of the world, and so all non-whites of Earth must immediately seek military defenses against their enemy,

the United States Government *White People*. This means I have to unify all non-white people of Earth for military defense against United States Government right away.
