

LETTER TO MELINDA ANN FRENCH

ZULFIKAR MOINUDDIN AHMED

Dear Madam Melinda Ann French,

Forgive, please, my belated congratulation to you for your abandonment of marriage with Bill Gates. You are fortunate and I wish you great health, happiness and prosperity for yourself and your children. I have ordered my men to whack Bill Gates. I assure you that they will do all to ensure that you and your children, and also the various young women Bill Gates soils who are quite mature for their age. We wish you always the best.

I will not go into details of the various reasons for my animosity with Bill Gates. These are conflicts between men and I am honourable and do not involve women, family or friends in them.

I hope you are well, and enjoying a healthy, happy, time and that the benevolence and love of the Angels shall light your path.

Sincerely,

Zulfikar Moinuddin Ahmed
