

**ENGLISH ROYAL MENDERS COULD YOU CHECK THE DATE
AND TIME WHEN BILL GATES DID SOMETHING THAT
WOULD KILL A BENGALI MAN?**

English Royal Menders you just discovered that at some point Bill Gates aggressive harm would have killed a Bengali Man. Could you determine the date and time when this was done by him? I have no abilities to determine or even notice these things.

1. NOVEMBER 5 2020 LETTER

TO PRIMORDIAL DEMON BILL GATES WITH PLANS TO ENSLAVE HUMANS

Demon,

I am Angel and you will have difficult time enslaving Humans while I am alive. Your kindred have succeeded in enslaving only a small number of worlds, and very rarely when an Angel is alive. You are clever demon. Clever indeed. You have found a good spot with saintly aura to fool the human beings, but I see you clearly Demon. You want to enslave Human Race but you cannot fool everyone. Liberty of the Human Race will be preserved. I will mark this with my own blood.

Thanks, ZULFIKAR MOINUDDIN AHMED

2. MY GRATITUDE FOR GREAT DETERMINATION

My physical body is still Bengali, but after November 4 when Bill Gates caused the damage that would have killed a Bengali Man, some things did change in my behaviour. I was more concerned about duties and obligations of Archangels, more concerned about Virtues of Human Race, more bold in producing World Order plans and sending them to the United Nations, less fearful that I might ruin my Finance future and take my great love for my Beloved people the Human Race seriously as something on which I ought to act.
