

**OPEN LETTER TO WHITE EUROPEAN AND AMERICAN
CHRISTIANS DECEMBER 8 2021**

ZULFIKAR MOINUDDIN AHMED

Dear White European and American Christians,

This is Archangel Zulf. Please stop all the anti-Jewish nonsense. Just stop. I have done careful analysis of Christian, Muslim, and Jewish moral values. The entire Human Race is Angelic. I just cannot believe it. Why were you mistreating these Jewish people from 300 AD in Europe? They're fine. They're Angelic same as Christians and Muslims and Hindus and so on. I am just sick of this ruckus. Do some of this "What would Jesus do" etc. and hug and kiss them and just stop it. Bill Gates is an Evil Demon. Keep the eye on the ball.

Thank you,

Zulfikar Moinuddin Ahmed
