

## REQUIRE IMMEDIATE EMPLOYMENT OFFER AND WAGES FROM ENGLAND

ZULFIKAR MOINUDDIN AHMED

I would appreciate immediate employment offer from England and wage offer explicitly in my email: either [zulfikar.ahmed@gmail.com](mailto:zulfikar.ahmed@gmail.com) or [zulf@thyselfdna.com](mailto:zulf@thyselfdna.com). You can find my resume, a bit older now here: <https://www.linkedin.com/in/zulfikar-ahmed-3b559367/>. Do not listen to Bill Gates at all he is infinitely less capable than myself. I can oversee very high level operations, including managing multiple companies in psychology-technology, managing a \$5 trillion fund, or managing a political lobby in Washington long distance from San Francisco without trouble.

I do want to see all problems of Bill Gates avoided. The man, without any rights, starved me of all income for a year already. I have a sick dying mother in Bengal and many financial obligations delayed in the process.

Just to be sure, I am seeking a Special Attache position with United Nations and will be employed directly by England. My own private property \$620 million will be in a special account with Bank of England titled *Zulf's Piggy Bank (Do Not Touch)* safe from Bill Gates. I will want my wages paid from this account.
