

## **ZULF CONTINUES TO WARN AMERICAN GOVERNMENT TO DESTROY EVIL DEMON BILL GATES**

ZULFIKAR MOINUDDIN AHMED

Dear American Government,

I am closer to death today because Bill Gates used further illegitimate evil powers and black magic. You have refused to secure my Natural Rights of Life, Liberty and Pursuit of Happiness; you have refused to secure my American Dream after I have achieved it. You have allowed an Evil Sorcerer and Demon, Bill Gates to continuously harm me. I have shown extraordinary Light of Heaven with concrete contributions. I have given hope for resolution of Intimate Partner Violence just yesterday at the United Nations.

I might die from harm done by Bill Gates to me. There are more than 3.5 billion people on Earth who are Christians and Muslims. And 4.5 billion Asians will mourn my passing. Do you really think you will be loved after this that you have done?

You reap what you sow, United States Government. Do not be surprised if you are thought to be minions of an Evil Demon and hated by literally almost the entire world after I die. You will deserve it. No one thinks that you have that much value if you do not follow the United States Declaration of Independence Preamble. This United States of America will dissappear from existence in a while because everyone in the world ought to consider an organisation that is tasked to secure Natural Rights of Americans instead hoard massive stocks of weapons of mass destruction and provide haven and safe harbour to the Evil Murderers and War Criminals of the World.

Thank you,

ZULFIKAR MOINUDDIN AHMED
