

US FOUR STAR GENERALS DEFENDING BILL GATES ARE DELUDED TRAITORS TO OUR NATION

ZULFIKAR MOINUDDIN AHMED

Look, US Four Star Generals trying to protect Bill Gates you are totally incompetent at your stations and do not belong in the US Government at all. You see US Government is not like other governments in a number of ways. One of them is that we believe that the *purpose of governments* is to *secure Natural Rights including Life, Liberty, and Pursuit of Happiness* for all Americans which includes myself. You are incompetent the moment you are unable to secure my Natural Rights. You don't understand the purpose of our government how can you be effective? So learn: in our government, we consider security of Natural Rights of Americans as the *primary and fundamental* National Interest, and all others are secondary. You dare to denigrate my caliber without knowing a thing about my code. I have been coding since roughly 1995 in Lehman Brothers, and was coding in C++ with STL right away in Andrew Morton's group. I am a world class Finance quant and my Medium Frequency Strategy is Nobel Prize quality innovation. I have plenty of code that is openly available [1]. In contrast Bill Gates is a charlatan and it is unclear whether any part of his self-promotion documentaries is true. He has no significant code that he makes public. Steve Wozniak considered and did not think Bill Gates was a better coder than me. I am not a world class coder but I am good, and even Codility tested me and found me A. All the ideas of Thysell Inc. are 100% mine and it's my company.

Bill Gates has cut into my eyes and destroyed my interior. This is not just an ordinary violation of Natural Rights. Do you really think the American people will not put you to death for being collaborators in this great crime against myself? Your job was to secure American Natural Rights and you are now defending a malevolent pathological lying charlatan who says "Natural Rights are claptrap" while your fundamental job is to secure the Natural Rights of Americans and you dare to call yourselves American? You are the cronies and the minions of a man who is hell-bent on toppling our Multi-Ethnic Classical Liberal Democratic Republic and denying Natural Rights protection for all non-white Americans, a man who used US War meta to total my body meta violating Geneva Conventions, and you don't think that you are Traitors to this Nation?

You better fix this problem because I am quite interested in executing every one of you sons of bitches.
