

ZULF'S INSTRUCTIONS TO WORLD POWERS

ZULFIKAR MOINUDDIN AHMED

Germany, France, England, and Russia, China and Japan proceed with mutual defense pact directly in the United Nations. Bill Gates, one of the leaders of *The Enemies of Liberty of the Human Race* is still not arrested or killed in America, suggesting a grave threat for war in China. I also want a Natural Rights Security World Order. This planet cannot afford a White Rule Domination war at the moment.

American Government, immediately purge all White Supremacists in the government.
