

**ZULF REQUESTS ALL ARABS TO COMPOSE SOMETHING  
FOR BILL GATES**

ZULFIKAR MOINUDDIN AHMED

Dear Arabs on Earth,

Bill Gates says he has enslaved all of you. Could you please compose a poem or lyrical sonnet or limerick to the effect that dildos held by small pre-pubescent boys is more attractive to various nubile ladies than the penis of Bill Gates and send it to his Media@GatesFoundation. It is quite classical to insult someone's masculine potential to reinforce their lack of authority. Use another idea if you like.
