

ARCHANGEL ZULF HAS NOT GIVEN DIVINE JUDGMENT TO AUSCHWITZ ALL WHITE PEOPLE IN AMERICAN GOVERNMENT

ZULFIKAR MOINUDDIN AHMED

I, Archangel of Heaven, Zulfikar Moinuddin Ahmed, solemnly do swear that I have not actually pronounced Divine Judgment against the white people in American Government to death by gassing at Auschwitz. I will not accept any responsibility for any gassing of the white people in American Government in Auschwitz. This is December 21 2021.

Any gassing of all white people in American Government now or in the future is without my Divine Judgment. Heaven will deny any involvement if such were to occur. Heaven prefers generally not to gas and Holocaust large groups of Angelics in brutal and horrible ways when we can avoid it. But Heaven is not perfect. We do our best.

1. DREAM OF THE UNEARTHLY PRINCE

I had a dream of an Unearthly Prince, i.e. a Prince from another world. As you know, my beloved people, the Human Race, I have been an Archangel in the Universe for billions of years. Long ago, around two billion years ago, and certainly long before your ancestors evolved in the past 7-8 billion years ago, I did pass by this world, when it barely had any life. I never imagined that one day a beautiful Angelic race would populate this planet. I am quite fond of the human race. Anyway, I want this Demon Bill Gates destroyed. He will harm you. These Demons are a scourge to Angelic Races around the world. Anyway, I was born in human womb in November 19 1973, in Bengal, and I immigrated to America in 1987. I do have some other gifts of Heaven that I had planned. I am on vacation on Earth, rudely disturbed by this Demon Bill Gates plot to kill me. I forbid him from becoming Emperor of the World.

I don't want this Demon Bill Gates to be the Emperor of this planet. I don't understand why Eurasian Powers are not slaughtering him to prevent a Dystopia on Earth. I want him slain. Can you please do this. I have so many things to do. I don't have time to do all this work.

Eurasia, I beg you. Slaughter this Bill Gates. He's irritating me.
