

ZULF'S STRONG SUGGESTIONS FOR MUSLIMS IN AMERICA ABOUT SEXUAL LIBERAL POLITICAL POSITION

ZULFIKAR MOINUDDIN AHMED

Dear Muslims in America,

Look, I am not Muslim and never going to be Muslim, and am an apostate and am a murtadd, a heinous kafir from when I was six. But still you're only 1.1% of America and I strongly suggest that no matter what you believe about sexual laws that are divinely sanctioned, do everyone a favour and only vote for sexually extremely liberal positions. Support all the guys who fall in love with goats and has bestial sex all day their freedoms. I'll tell you why. Do you even know *just how bad their taste is in sex?* Well I won't go into it. Their taste is *so bad* that if they ruled sexuality with iron fist, all your beloveds and everyone will commit suicide. Don't let that happen. Strongly support sexually super liberal positions please.

Thank you,

Zulfikar Moinuddin Ahmed
