United States Government, you did a consider in my Deep Interior and have seen some of the horrors that Bill Gates had done.

My judgment here will be quite clear and simple.

(a) You must immediately ensure that Bill Gates cannot ever have any employees at all either American or non-American. He is an extreme criminal who does horrible things to destroy people's lives.

(b) You must disallow Bill Gates from ever *owning any company*. This man is a severe threat to all people's lives. He can never be allowed to have any power over any human being at all ever again.

I will have further judgments later. Note that it is irrelevant whether white people are superior or inferior. White people are part of the human race and white moral values are in line with human race.

Bill Gates is an extremely psychopathic criminal who is extremely dangerous with any power of any type that can affect any human life whatever.

Either you will implement these judgments immediately, or I will promise to totally deligitimize the United States Of America and if world war is necessary to destroy Bill Gates and every single crony of his on Earth, I will arrange it.

1. BILL GATES YOU ARE THE MOST INFERIOR CUNT IN THE WORLD

The horrors you have done by invading my Deep Interior is thoroughly evil and savage, barabarc, and devoid of any Civilised impulse or cultivation. You are the most inferior cunt this planet has ever produced and American white community ought to excommunicate you for your inferiority. How dare you call yourself an American? You don't even belong among human beings at all. You are extremely inferior. You are so inferior, it was unimaginable for me to contemplate such an inferior human being can even exist.
