

**BILL GATES IS CONDEMNED TO DEATH FOR WAR CRIMES
BY UNSC SO HIS ATTEMPT TO BRING CASE AGAINST
OVERSTAY OF VISITOR VISA IN 1988-1991 WILL FACE
STATUTE OF LIMITATIONS**

ZULFIKAR MOINUDDIN AHMED

Bill Gates is condemned to death for War Crimes by United Nations Security Council. He wants to delay his judgment by finding irrelevant issues. He wants to make a case for my Student Visa granted in 1991 in Bangladesh for attending Princeton University.

There is a default 5-year statute of limitations for prosecuting a federal offense. 18 U.S.C. 3282(a). However, this statute of limitations does not apply to many immigration offenses because the offenses are seen as continuing beyond the initial date of action [1]

I have been continuously in good standing in immigration since 1991 with Permanent Residency granted to me in 1997. By statute of limitations, he could have in principle had some results if he had made a case in 1996 but now I have legitimate Permanent Residency expiring in 2031 so he has nothing here.
