

THEORETICALLY IT IS POSSIBLE TO NUREMBERG TRIAL THE ENTIRE WHITE POPULATION OF AMERICA

ZULFIKAR MOINUDDIN AHMED

Bill Gates has been sentenced to Death for War Crimes and Crimes Against Humanity by United Nations Security Council already. Now I can just keep threatening to wipe out the entire White American population repeatedly, which will then actually produce genuine interest because grave crimes against humanity and war crimes are not interesting to white people. So once they are alarmed they will do a consider and find that Bill Gates had done horrific and abominable and evil and dark and destructive and inhuman harm to my person and then they will obviously not do a goddam thing to kill him and be implicated as accomplices in War Crimes and Crimes Against Humanity.

Now in theory if we continue this process as t tends to infinity, we can implicate every single white person in America for co-conspirators of Bill Gates. Then we can just go the Hague and just fry them all.
