

ZULF'S PRIMAL SCREAM OF JUNE 22 2021 THAT SAVED ALL WHITE WOMEN IN THE WORLD

ZULFIKAR MOINUDDIN AHMED

I fell asleep for a short period, and Bill Gates is still cause massive troubles. He makes the mistake of actually pretending to be a father to my ex-wife in the middle of it.

I walk straight upstairs and deliver my primal scream to the world.

BILL GATES YOU AIN'T LIKE NO FATHER TO
EVERY WHITE GIRL YOU AIN'T EVEN A FATHER
TO YOUR OWN GIRL WHO YOU KIDDING?

BILL GATES,

You ain't no father to every white girl.
You ain't even no father to your
own girl. Who do
you think you're kidding Bill Gates? Why don't you spend
more time with your
harem of white girls
that you soil who are
quite mature for
their age little punk ass bitch?

SHUT THE FUCK UP
YOU STUPID SON OF
A BITCH.

Thanks,
ZULFIKAR MOINUDDIN AHMED

1. SELF-ANALYSIS

I have been studying the seven subcortical systems that together form the foundations of our emotional life. These things were totally opaque before Jaak Panksepp's great synthesis in *Affective Neuroscience*. Now I grew to become familiar with my emotional systems only after hobo life in 2008 and was not all that aware of them for I was always a cerebral man concerned about lofty matters. Living with my aunt for ten years, a woman who does not actually do anything by thought-first and uses primal emotions as the basis of her life, and being abused by her nonstop, I have learned to hone my primal screams. These employ primarily the RAGE circuit and they require convictions in belief about things. Here you

see in a very elementary way the interplay of belief and emotional display. This is about as simple as human beings can get, in the mix of affect (rage in this case) and cognition (one's natural inferences regarding some situation). You see, I don't know this cat Bill Gates from a can of tomato soup, and have zero interest in his family life. But I am at war with him because he has decided to start one with me gratuitously, and so I hit him as hard as I can in retaliation. In this case, my convictions will be 150% correct, and so I can primal scream it. I don't give a damn about the gossip matter but I know that enough of the English and American public will be interested, so I hit him hard using pure human capabilities that are often not used in the modern world, and my aim is pure and true, and his reputation as a father will disintegrate. No one can withstand a true primal scream from Zulf. My primal screams are world class.

2. MY WORTHINESS INDEX

From my subjective perspective, all my friends, and ex-lovers have special worth, since I am the Chosen One and I spent part of my life in relations with them. My ex-wife Natalia Brizuela has moved on and we are divorced, but she is, by virtue of me having chosen her as a romantic partner in the past, is worthy, while Bill Gates is worthless and deserves to be destroyed and killed without mercy. Obviously I don't want Bill Gates to pretend to be a father figure for anyone at all, let alone people who have been important to my personal life.

I am the Chosen One so anyone I choose to spend time with or relate to are special by my grace. All my ex-lovers and all my friends thus are Divinely Blessed. They do not need any special characteristics. It is a property that comes with contact with Zulf.

3. BILL GATES DID DESTROY MY INTERIOR WITH HEAVY BOMBING

Bill Gates destroyed my interior with heavy bombing. This act immediately made me Holy to the Human Race and him an Evil Malevolent Cunt who deserves every possible Death Penalty in history repeatedly. His great crime against me is so monumental, his total destruction by the Human Race for this great evil is virtually guaranteed.

4. BILL GATES IS A DELUDED IGNORANT CUNT WHO CALLS ME A "NEGRO"

Bill Gates is so confused about racial issues that he calls a true Aryan a "Negro". Do you really think that White People were ever actually Aryan Bill Gates? No. We, from India, are Aryan. You are very confused Bill Gates. You are a very deluded cunt.

Let's take a look at Wikipedia:

"Aryan or Arya Indo-Iranian *arya) is a term originally used as an ethnocultural self-designation by Indo-Iranians in ancient times, in contrast to the nearby outsiders known as 'non-Aryan' (*an-arya). In Ancient India, the term arya was used by the Indo-Aryan speakers of the Vedic period as an endonym (self-designation) and in reference to a region known as Aryavarta ('abode of the Aryas'), where the Indo-Aryan culture emerged."

Only when you give any authority in America to these ignorant college dropout idiots do you suddenly have enormous confusion about ethnicity. He should be

killed immediately. Note that I have no racial contempt or hierarchy for my African-American or European-American brothers and sisters, but I despise this Bill Gates. I would be a proud African-American if I were one. I am simply not one.
