

**BILL GATES IS A SYMBOL OF ALL THAT IS HORRIBLY
WRONG WITH THE WORLD HE IS A BLOOD PARASITE TOO**

ZULFIKAR MOINUDDIN AHMED

Bill Gates is the Symbol of all that is horrible, evil, disgusting, dystopian in the entire world today. He must be slaughtered, destroyed, killed, eviscerated, vanquished, slain, bombed, and exterminated. He is not the only evil horror on Earth but he is one. And I will never rest until he is removed and destroyed from the land of the living. My beloved human race will be better off without him on Earth.

Thanks,
