

UNITED STATES GOVERNMENT ALLOWING FORBIDDEN BLACK MAGIC BY ANY AMERICAN MAKES YOU PURELY EVIL

ZULFIKAR MOINUDDIN AHMED

United States Government, Bill Gates had used *forbidden black magic from thirteenth century Europe* and I know you knew this. You don't seem to understand that this makes you a Purely Evil Force in the world.

Now you say "Well, for some reason we did not think it would matter." Who in the world would say that is not admission of Pure Evil by United States Government?

Why did Europe forbid Black Magic in the thirteenth century? Well why don't you use your puny little minds and determine that as homework?

For my dear readers, Black Magic is power to harm body and health and mind of individuals. You can be a bit puzzled why an organisation whose charter says governments are instituted among men to secure natural rights would allow anyone to have power whose only purpose is to harm natural rights of Life, Liberty, and pursuit of Happiness.

And so United States Government, you are Purely Evil. And until you make major changes in your moral understanding of human beings, every single person in Europe and Asia and other Continents are right to consider you a force of Pure Evil.

What are you going to do about this? You cannot look aside when Americans are allowed to use Black Magic against others with impunity and claim to be a force for Good in the world. That's not possible to accept for anyone who is rational.

Why you did what you did is irrelevant. You will obviously be judged for who you *are* and not who you tell people you are.

Good luck surviving United States Government. You will find that Human Race is quite judgmental about these things.
