ZULF MAKES RATIONAL DECISION: BILL GATES SAYS I AM AN UGLY
Ladies and Gentlemen,

The crinkley skinned old fogey Bill Gates who looks like Emperor Palpatine calls me an 'ugly man'. Should I believe him and have bad self-esteem? Or should I believe more than 12 beautiful Russian women who gave me a 8.6 ± 1.1 out of 10 in romance site? I think I will go with the Russian ladies. I don't think whether Bill Gates thinks I am ugly matters more than the eyes of much prettier beholders. That is the final answer Bill Gates.

Thank you, ZULFIKAR MOINUDDIN AHMED

2. WHAT ABOUT WHAT WOMEN THINK OF BILL GATES?

His wife leaves him at 66. And what did my friend Tanya say?

And I quote: "what power tricks they found dear?? oh that evil face!!"

3. RATIONALITY LEADS TO DISMISSAL OF BILL GATES' OPINION

Male attractiveness is decided by potential romantic partners, not Bill Gates. In my case, there are plenty of good looking women willing to give me a good grade, so Bill Gates opinions are trumped. He is jealous, and who cares what he thinks? He's ugly, inside and out.
