

EXPLANATION OF MY PLAN FOR THE WORLD FOR EVELIN LINDNER

ZULFIKAR MOINUDDIN AHMED

Madam Evelin Lindner, it has been many years and I trust that you are well. So my vision for the world can be seen from multiple perspectives.

One is that I want a six power defense pact: Germany, France, England, and Russia, China, Japan. I want them to sign a mutual defense pact dropping NATO altogether. I want Germany to push forward a Natural Rights Security World Order overcoming a United States veto.

Now Bill Gates has a White Master Race World Order planned and he had cut into my Blood Meta and Deep Interior and had violated White Law to put in high power pipes of White Power. He did other bad things. I have been on a campaign to compel United States Government to secure my Natural Rights of Life, Liberty and Pursuit of Happiness as well as secure my American Dream as he has also blockaded \$620 million that belongs to me from Finance. They have thus far been ineffective and I am stranded in Allen Texas without income living with my aunt.

The second part of my vision is cooperation between American Whites and India and dismissing Bill Gates' world order plan as *small time Ethnic hookey dookey* because American White People were left in the dark by Bill Gates which is a fatal error for these sorts of geopolitical plans. This allowed me to sing aloud about how I believe that all men are created equal endowed with their Creator with Natural Rights of Life, Liberty, and Pursuit of happiness and governments are instituted by men to secure these rights and how I am American USCIS# 046-077-179 with Permanent Residency granted in September 1997 and expiring sometime in 2031. These and other values I share with American White People allowed me to charm them faster than Bill Gates and I then ask them to approach India for assistance with considers in my deep interior.

So then you have six powers of Germany, England, France, Russia, China, and Japan forming a mutual defense pact and American White People approaching India for some assistance to recover violation of White Law by our White Master Race World Order leader Bill Gates.

Then the idea is to smoothly integrate an America safe from White Master Race World Order proponents with joint cooperation with India. That gets us *eight powers* in my grand plan of Natural Rights World Order. Then the rest is trivial.
