

ZULF IS QUITE CONVINCED THAT I AM THE ONLY AMERICAN ON EARTH

ZULFIKAR MOINUDDIN AHMED

I am American. And I hold these truths to be self-evident that all men are created equal, that they are endowed by their Creator certain inalienable rights, that among them are Life, Liberty, and pursuit of Happiness, and that governments are instituted among men to secure these. I came to the realisation that I am the only man on Earth who can even *understand* these, let alone be American. These are Romantic Era pronouncements. They are deep truths. But I don't think anyone on Earth besides me really understands them any more because I am a Romantic. People have been corrupted by Realism, then Modernism, and all manner of fluff.

I am the only American on Earth now. It's not so bad. There is greatness and dignity in being a true American.
