Asia, this is Archangel Zulf. This is Archangel Zulf. I need you to form an organisation right away in the United States with the goal of tracking and sabotaging all Bill Gates investments in wars in Asia and White Order right away.

I repeat. this is Archangel Zulf. This is Archangel Zulf. I need you to form an organisation right away in the United States with the goal of tracking and sabotaging all Bill Gates investments in wars in Asia and White Order right away.

Sabotage all war efforts from Bill Gates and his cronies in Asia and also track and sabotage all his White Order efforts right away. I want a proper organisation.

Do it now not after it is too late.

Archangel Zulf out.
