

PERSONAL LETTER TO QUEEN ELIZABETH ABOUT TIBOR BEKE

ZULFIKAR MOINUDDIN AHMED

Dear Queen Elizabeth,
Tibor Beke is a great genius I met at Princeton. Why don't you invite him over to a banquet with his family in Buckingham Palace.

If you are nice to him he might give you a Eurasian Economic Integration Plan. He is extraordinarily talented. He'll do better than almost all economists because they are not used to it.

Tibor my friend, Hungary will benefit. Show your family a good time in England.

Sincerely,

Zulfikar Moinuddin Ahmed
