

WHAT I DESERVE AND WHAT BILL GATES DESERVES

ZULFIKAR MOINUDDIN AHMED

I have \$500 roughly right now in the bank. I paid \$1000 yesterday for my credit card. No savings. Bill Gates blockaded \$620 million of my money that D. E. Shaw & Co. and ECB gave me for actual work. My mom is sick and waiting for me to get my money in order.

I deserve not just my \$620 million but a lot more. Bill Gates deserves not even my situation of penury and struggle but death. He does not even deserve to live.
