

## WHO WANTS TO JUST GAS ALL US EXECUTIVE WHITES IN AUSCHWITZ?

ZULFIKAR MOINUDDIN AHMED

Auschwitz has not been used for 75 years. If US Executive Whites don't relentlessly bomb and obliterate the *Enemies of Liberty of Human Race* which are Bill Gates and his white backers we could just refurbish Auschwitz a bit, spruce it up a bit and use more potent poisonous gases and just ship off the entire US Executive Branch White people and gas them over there. It will be nice, and for a change someone will be gassing someone other than Jewish people. Who wants to try this out? Any takers?
