

## **ZULF'S STANFORD ANALYSIS FALL 2010 QUAL**

ZULFIKAR MOINUDDIN AHMED  
ZULFIKAR.AHMED@GMAIL.COM

### **1. ONLY UNITED STATES OF AMERICA IS SAFE HARBOUR FOR THE WORST EVIL MALEVOLENT RACIAL ORDER FOLKS IN THE WORLD TODAY**

The Second World War eliminated the rise of racial supremacists in Europe totally. Racial Supremacists, some of the most evil malevolent savage barbaric butchers today can *only flourish* in the United States. Bill Gates is not the only one of these cats but he is a grave threat to lives of billions. He has other conspirators who are well-off. In no other nation of Earth today can these parasitic cancerous tumours who are disease for my beloved people the Human Race exist today except the United States of America.

I love this country, and 99% of American people are good people. But the tiny minority – that fully includes Bill Gates – are evil beyond imagination who are plotting Dystopia and misery for our people, the Human Race not just in a lax manner but day and night and day and night and minute by minute. The corruption of the United States Government that allows these pathogens and parasites to thrive in this country is a grave travesty for the world and to all the good hard-working and law-abiding people of America of all ethnicities who are committed to a harmonious productive world.

These pathogens, these cancerous tumours, these sources of Evil, like Bill Gates are not just *tolerated* by our government but supported and revered. This must end now.

### **2. JOHN ASHCROFT FOUND THAT TEXAS JUDGES WERE ORDERED BY HIGHER FOLKS AT US GOVERNMENT TO ORDER FRIVOLOUS ARREST**

John Ashcroft found that higher ups ordered FBI to consider me a threat etc. on frivolous charges. Stanford Law School I need immediate assistance for legal defense. Bill Gates I am 100% sure is in a massive effort to destabilise the Multi-Ethnic Democratic Republic of America and those behind White World Order in United States Government ought to be immediately found and expelled. This is a significant existential threat to the United States of America and my Life, Liberty and pursuit of Happiness have been severely threatened by Bill Gates directly as high level considers will validate.

This is a serious threat as a White Order Conspiracy goes against US Declaration of Independence and US Constitutional principles and United States of America will not survive at all if these malevolent conspirators are not brought to justice immediately.

### 3. APOLOGIES BUT THIS IS NOT A PHYSICAL THREAT

What the FBI and the police do not understand is that it is Bill Gates who is harming me with enormous obsession with all manner of eye-cutting and use of (a) US War Power, (b) US Industrial Power, (c) White Racial Power, (d) European Black Magic from thirteenth century. These have led to physical harm to my body and he is obstructing \$120 million of direct legitimate income and \$500 million gift from Madam Christine Lagarde. The man is a White World Order zealot. He is a charlatan and an evil malevolent criminal through and through. I will destroy and wipe him out eventually because he is a threat to my life, liberty and pursuit of Happiness, but this is no vigilante affair. The entire world will be involved and his empire will be totally destroyed in the end. He is a grave threat to 100 million non-whites in America and billions worldwide, and I will not let go harm to be unanswered. The wretched miserable worthless little shit deserves what will be his fate, and the world will breathe easier than one of the worst harmful criminal in world's history, this pathologically lying, racial murderer, a deceptive evil man who is a parasite on society, this *Bill Gates* will no longer be a threat to anyone else. He deserves to go ingloriously humiliated and denied any honour in his passing.

But do not get confused, this is no vigilante threat of physical violence. This is a prediction. I live now in Allen Texas, and he is 2100 miles away. I do not have any firearms. I despise street violence. No this is a threat of poetic justice that karma brings to this cat *Bill Gates*. The peasant-born charlatan who is illiterate hick from podunk Seattle has harmed his last victim. United States Government ought to have wiped him out years ago. They had an obligation to the American people, to keep us safe from evil murderous savage destructive criminals.

### 4. PROBLEM I.1

Let  $X$  be a Banach Space with  $S = \{x : \|x\| = 1\}$

- (a) Suppose  $y_n \in S$  and  $y_n \rightarrow y$  weakly. Show  $\|y\| \leq 1$ .
- (b) Suppose  $X$  is a Hilbert space and  $y \in X$  with  $\|y\| \leq 1$ . Show that there is  $y_n \in S$  that converges to  $y$  weakly.

For the first let

$$T_n x = \langle y_n, x \rangle$$

so  $T_n$  and  $\|T_n\|_{X^*} \leq 1$ . Then

$$\|T_n x\| \leq \|T_n\| \|x\|$$

so if  $y_n \rightarrow y$ , the limit of  $T_n$  is  $\langle y, \cdot \rangle$  and we have  $\|y\|_X \leq 1$ .

(b) This is the strange feature that the limits from the boundary of the ball fill up the interior *weakly* in a Hilbert space. Let  $e_n$  be a basis. The given  $y$  with  $\|y\| \leq 1$  has representation

$$y = \sum_k y_k e_k$$

I did not want to re-invent the solution to this one. Here is a nice solution [1]. The idea is do a construction orthogonal to  $y$  to produce a sequence on the boundary which converges weakly to zero leaving  $y$ .

### 5. PROBLEM I.2

Suppose  $1 < p < \infty$  and  $f_n \in L^p[0, 1]$  with  $\|f_n\| \leq 1$  and assume almost everywhere  $f_n \rightarrow 0$ . Prove  $f_n \rightarrow 0$  weakly.

For any  $g \in L^q[0, 1]$  we have

$$|\int f_n g| \leq \|f_n\|_\infty \int g$$

and we use  $\|f_n\|_\infty \rightarrow 0$ .

### 6. ZULF'S VIEWS ABOUT ETHNIC PRIDE

You know long before we evolved as homo sapiens, all of our ancestors were in *East Africa*. Now it's fairly well-established that human beings dispersed and populated the world from around 75,000 years ago. All this ethnic pride issues are fluff, because it is known that we were a single meta-tribe in East Africa. I consider the entire human race to be my beloved people.

Now Bill Gates is a malevolent little shit. He's a racial murderer who believes that it is his duty to harm non-white people. That's not *pride* at all. He might use the *language* of white pride but in reality he's an evil little shit, totally hick illiterate, and while he makes a lot of self-promotion documentaries claiming great achievement, he is a thief, a liar, a murderous savage little shit and he is also just an evil baddie.

You ought to have a little pride in your ancestry, as that is healthy. But in the end we are all individuals and we are one people, the human race. Ethnic pride is ultimately a wasted opportunity for developing your potential. Don't get side-tracked by these traps. Keep away from all these things. Focus on productive activity. Don't become like Bill Gates.

### 7. PROBLEM I.3

Show that compactly supported distributions are tempered with with

$$|Fu(\varphi)| \leq C(1 + |\xi|)^N$$

### 8. PROBLEM II.3

Suppose  $f : K \rightarrow \mathbf{R}$  is continuous for compact  $K \subset \mathbf{R}$ . Show there exists a continuous  $g : \mathbf{R}^n \rightarrow \mathbf{R}$  that extends  $f$ .

Now  $K$  is closed and bounded. We could do the following. Let  $B(0, R)$  be a large ball with  $K \in B(0, R)$ . Then set  $g = 0$  for  $|x| \geq R$ . Now the boundary of  $K$  could be quite complicated, so we want to avoid doing anything that would produce exceptions.

We could just consider the region  $B(0, R) - K$  and solve the Dirichlet problem with boundary data  $g(x) = 0$  for  $|x| = R$  and boundary values on  $\partial K$  are defined by  $f(x)$ . The solution is continuous and defined on  $\mathbf{R}^n$ .

### 9. IT TURNS OUT THAT BILL GATES SEEMS TO HAVE PUT \$100 BILLION ON WHITE WORLD ORDER

The peasant-born scrub hick illiterate pea-brained charlatan son of a bitch Bill Gates literally thought Zulf would just sit by while he was putting \$100 billion into a dystopian White Racial World Order. Not on my watch you stupid moronic

illiterate hick uncultivated man of menial skills in Finance, Technology, Science, Business. Why don't you give your victory speech at the United Nations, Billy Boy. Let's see how your feces jar speech fares over there now. I have singlehandedly sabotaged all your diabolical plans. You're finished. You're totally done. It's the final curtain for you and you can thank Zulfikar Moinuddin Ahmed for your miserable fate. I, Zulfikar Moinuddin Ahmed totally destroyed all your plans.

Stupid son of a bitch.

#### 10. THE LITTLE SHIT DOES NOT PAY PEOPLE WHEN THEY DO SOMETHING To MAKE HIM SOME MONEY AND HE THINKS HE'S GOING TO EMPEROR A WORLD ORDER

You see, if a man does not even know that they have to pay people when they do something to benefit him – this little twat Bill Gates is raking in money from my Medium Frequency Strategy with D.E. Shaw & Co. – and he thinks he will commandeer a World Order of Dystopia that's not going anywhere. He's a moronic ill-mannered achievement-less thief, robber, murderer, charlatan and a huckster with a ballooned ego fed on sucking his own dick. He's a threat in a way but how is he going to match the political sense of an Aristocratic man of three thousand years?

I am installing Natural Rights World Order at the United Nations before more goons like Bill Gates gets any big ideas. What the fuck does United States Government do exactly. Why is this fuck Bill Gates plotting a White World Order while our dime goes to pay for your lunch meetings and limousines?

#### 11. PROBLEM I.2

Part(a) is to examine whether there can be uncountably many disjoint measurable subsets of  $\mathbf{R}$  with positive Lebesgue measure. My intuition says this is not possible but I will return to this later.

(b) Suppose  $f \in L^1(\mathbf{R})$  and the problem is to show for any  $a > 0$  and almost every  $x_0 \in \mathbf{R}$

$$\lim_{n \rightarrow \infty} n^{-a} f(nx_0) = 0$$

We consider any  $x_0 \in \mathbf{R}$  with  $|x_0| > 0$ . Replace  $f(x)$  with  $f(-x)$  if necessary to assume  $x_0 > 0$ . The points  $nx_0$  for  $n \in \mathbf{R}$  forms a partition of  $[0, \infty)$  evenly spaced with spacing  $|x_0|$ . We can lower approximate

$$\int_0^\infty f dx \geq C \sum_{k=1}^{\infty} |x_0| f(nx_0)$$

This tells us  $|x_0| f(nx_0) \rightarrow 0$ . Now  $n^{-a} \rightarrow 0$  as well so we just have to find  $N$  such that  $n \geq N$  implies  $n^{-a} \leq |x_0|$  and we get the conclusion sought.

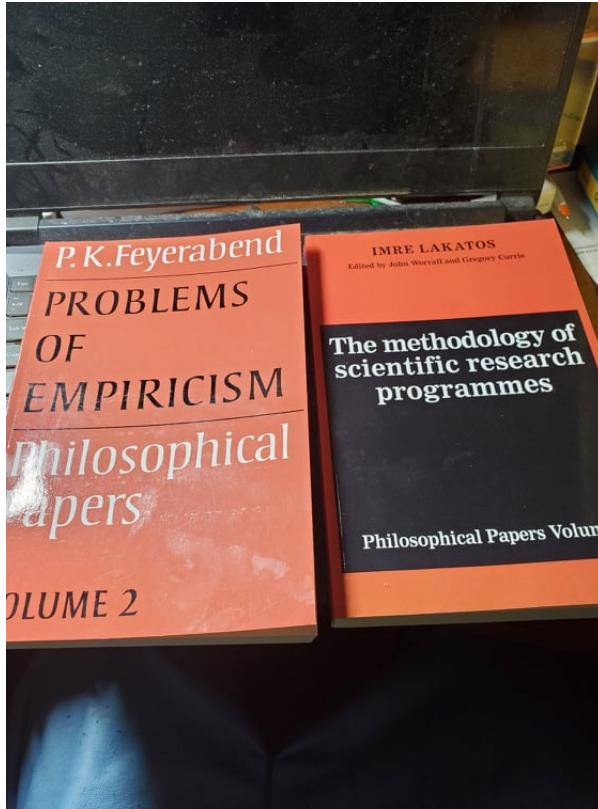

#### 12. ONTOLOGY CONTAINED IN MATHEMATICS

I am much more keenly interested in *the way in which Mathematics tells us something about Nature and objective existence* than even in proofs of *most of the mathematical propositions*. This is because I hold that four-sphere theory is not a theory in the ordinary way of scientific theories, which are all not exact but the *exact description of macroscopic Nature* and so the problem that interests me has not been interesting in Science at all since 1900. There is, in my philosophical view,

only *one true description of physics that is correct* and all other theories are wrong, and I promote the position that *my four-sphere theory is the only absolute truth* in macroscopic physics and all other theories are inferior as an exact description of Nature. All those who have come before me, from Isaac Newton to Paul Dirac to Erwin Schroedinger to Albert Einstein to James Clerk Maxwell had only produced shabby second-tier Science in my view, while I, Zulfikar Moinuddin Ahmed, am sort of the *Last Prophet* of macroscopic physics down to  $\delta = 10^{-15}$  and after which there will never be anyone else who has any theory that can challenge four-sphere theory at all because it will be impossible to improve upon the exactness of four-sphere theory. Only with this sort of zealous fanatical outlook can we return to 1900 and ask for ontological status of mathematics versus Nature and not versus what various sorts of illustrious Mathematicians had thought.

### 13. I HAVE THE EXACTLY RIGHT BACKGROUND AND INTERESTS TO ADDRESS ONTOLOGICAL STATUS OF MATHEMATICS

Let me show you some of my favourite things. But before this let us enjoy John Coltrane's [2].

Da da da. These are a few of my favourite things. I studied Paul K. Feyerabend, Imre Lakatos, and Thomas Kuhn for many years before I took on four-sphere theory at a very great personal cost to me that included destitution and homelessness and a thousand deprivations and finally a decade later I was successful.

And now it is time to seek answers that are deeply hidden behind a century of history, as I shall revive the fundamental question of the *ontological* status of

Mathematics in Nature. This was never addressed adequately because the exact theoretical physics, i.e. *my four-sphere theory* did not exist for the past 120 years at all, and the world was sunk in darkness and confusion with quantum field theory, with expansionary cosmology and with general relativity. Time has finally arrived for humanity to face the harmonies of the spheres and seek perfect understanding of existence.

#### 14. PROBLEM I.4

Let  $\hat{f}(\xi) = \int e^{-ix\xi} f(x)$  be the Fourier transform of a Schwartz function. Suppose  $f(2\pi n) = 0$  and  $\hat{f}(n) = 0$  for all integers. Prove or disprove that  $f = 0$ .

Let us begin with the Riemann-Lebesgue Lemma. It says the Fourier transform of an  $L^1$  function  $g$  is zero at infinity. Given  $\epsilon > 0$  there is an  $R$  such that

$$|\hat{g}(\xi)| < \epsilon$$

for  $|\xi| \geq R$ . Now the assumptions on  $f$  do not specify periodicity but only periodic oscillations.

Hold on. If the only condition were  $f(2\pi n) = 0$  then the function does not have to be zero. We could take

$$f(x) = e^{-x^2} \sin(x)$$

Ah, given  $f$  we can just let  $f_1(x)$  be the restriction to  $[-\pi, \pi]$ . Then the second condition  $\hat{f}_1(n) = 0$  ensures  $f_1 = 0$ . That's a piece of the puzzle because we do not actually have  $\hat{f}_1(n) = 0$ . We have a sum instead being zero.

#### 15. PROBLEM I.4

Suppose  $P : X \rightarrow Y$  and  $X \subset Y$  with the inclusion map compact. The spaces  $X, Y, Z$  are Banach. Suppose there is a constant  $C > 0$  so that

$$\|x\|_Y \leq C(\|Px\|_Y + \|x\|_Z)$$

(a) If  $P$  is injective show there is another constant  $C' > 0$  so

$$\|x\|_X \leq C' \|Px\|_Y$$

(b) Without assuming  $P$  is injective show there is a complementary subspace  $W$  of  $\text{Ker}(P)$  and another constant  $C'$  such that for all  $x \in W$ ,

$$\|x\|_X \leq C' \|Px\|_Y$$

**15.1. I Will Take A Few Days Longer For Fall 2017 Exam.** I am not a hypochondriac but unfortunately the overwhelming Powers that Bill Gates employed against me, (a) US War Power, (b) US Industrial Power, (c) European Black Magic Power, (d) White Racial Power, with the intention of denying all this publicly of course, and with extreme hateful destructive views and ulterior motive to sabotage all natural rights for non-white people of Earth, that it is difficult for me to actually operate at all with (a) breathing difficulties, (b) hardship in physical movement, (c) constant physical pains and Stanford University and Finance have not produced any relief at all. Madam Lagarde was willing to gift me \$500 million for me to move to San Francisco and expand my company. Let me remind you that *I have never been an employee of Bill Gates and would never agree to working for such a vile disgusting purely evil scumbag who is a total charlatan in a million years*. He has simply arbitrarily targeted me with extreme obsession because he

has been in a lifelong Crusade to destroy and maim and sabotage nonwhite people all his life but was not honest with the world and American People about his evil intentions. I am most certainly not his first victim, but I will do all that I can to ensure that he is totally destroyed and dispossessed so that I am his last victim.

I urge Stanford University to do their large bureaucratic meetings to evaluate my appeals and swiftly come to a conclusion that it would be extremely unwise for Stanford University not to offer immediately and explicitly a full professorship to me, not only for my Mathematical skills but more for my Scientific Achievements which will be transformative for Physics and also for Social Sciences as my Universal Moral Nature work overthrows academic views held from the time of Immanuel Kant and also Friedrich Nietzsche.

Today is February 8 2022. I am totally starved of all income. Bill Gates is a serious problem for all people since he is habituated to assaulting people with destructive intent and he must be destroyed as the United States Government's purpose is natural rights security and removing harmful people from society.

**15.2. Exploration Phase.** Let us first examine a different situation and we'll return to the problem at hand later after we have better understanding.

Suppose we have a continuous map  $Q : Y \rightarrow X$  and we label the inclusion  $J : X \rightarrow Z$ . We could consider a map

$$S : X \oplus X \rightarrow Y \oplus Z$$

given by

$$S(x, y) = (Px, y)$$

We would then obtain, from continuity of  $S$ , the estimate

$$\|S(x, y)\|_{X \oplus X} \leq C(\|(x, y)\|_{Y \oplus Z})$$

In Problem I.3 this is what is going on. In fact, the estimate given by the problem is an estimate that is for  $S^{-1}$  for a situation of this type.

## 16. STANFORD UNIVERSITY ADVICE TO FACULTY AND ADMINISTRATORS

Look I will be blunt with you. I am a Princetonian, and I am a serious intellectual. I did not go into academia but I was married to Natalia Brizuela who is tenured at Berkeley, and I spent my entire life surrounded by intellectuals in New York, in Boston, in San Francisco. I am closer to the Stanford culture than Bill Gates is. Bill Gates is a podunk hick peasant boy who got power and money and is totally tacky and has disgusting manners and does not even belong to the cultivated American Society. He walks around with feces in a jar in public. I am your type and he is not your type. Ok? So ignore all his claptrap and give me a good offer for tenure and get me some dough like \$100 million in my bank account and lets move on. You should not even be mixing with this sort of uncouth riffraff who thinks that it's a goddam great idea to enslave and conquer all sorts of people and ruling the world. That's a savage barbaric man with a big head from seventh Century tribal cult somewhere, and his taste is so bad that it literally boggles the imagination. He is not the Monarch of anything but pure tacky tastelessness barren of all culture and cultivation.

Do not be fooled by the primitive barbaric savage. Even Ostrogoths who sacked Rome would be totally disgusted by him.

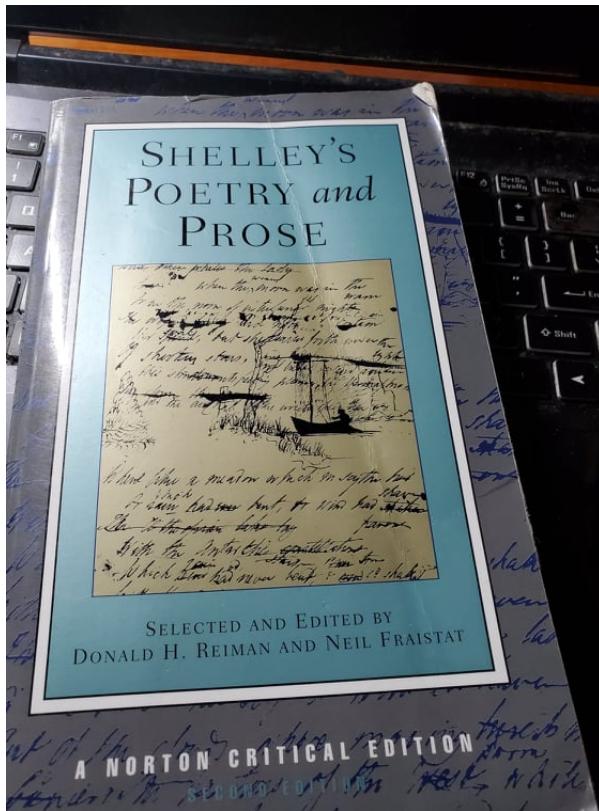

#### 17. ZULF WILL NOW CONTRAST THE GARISH SAVAGE TACKY BILL GATES WITH THE CULTIVATED AND REFINED ZULFIKAR MOINUDDIN AHMED

When I was at Princeton I did not like the selective eating clubs all that much. They were in what was then called 'the Street' and on weekends once in a while I would go to some parties. I disliked the sticky floors with beer stains. I ended up just not joining an eating club. You may have thought that it was because I was not elitist, as Ivy Club was known for its selectivity.

You would have been quite wrong. It was not out of a *lack of elitism* that I did not join an Eating Club at Princeton but rather from an *excess of elitism*. You see I am from an Aristocratic line of three thousand years whose history is shrouded over in the mists of time, and my elitism is not very apparent. I do not show my elitism to people easily. Quite the opposite. I had learned extremely strong elite manners from childhood, for gaudy ostentation is not the mark of the truly Noble people. Truly Noble people are deeply comfortable with their elitism, so much so that they are much more likely to be good to people disregarding their material trappings.

Bill Gates' grandfather was a furniture merchant. My father and grandfather were both civil servants, the fate of aristocracy in the modern age. We are Aristocrats and we are not tacky gaudy tasteless arrogant people whose self-esteem depends on harming and denigrating the dignity of others. We are *Noble* people who suffer and toil so that our beloved people shall fare better. We are not greedy for power. Our genetic lineage had gone far beyond paltry needs and we serve the human race with pleasure in the loftiness of our aims.

Let me show you a few more of my favourite things.

That's right, I spend a great deal of my time in analysis of poetry of Shelley. Also Keats and Byron of the Romantic Age, but above all Shelley.

Let's see what Bill Gates does.

This is his Xanadu 2.0 mansion with a giant fishtank with sharks in it.

Let me put the *gaudy tackiness of a \$154 million personal residence* when the country, America, has 580,466 people living without a home at all. You see a Noble man would not do this. In the West it is not part of a tradition as strong as in

the East, where Gautam Buddha was not able to tolerate the suffering of people and abandoned his lodgings to seek answers to the sufferings of all people, and transformed the entire world.

You see, I went to Princeton University, and I worked in Wall Street, and I abandoned all my material possessions to seek answers for the world too in 2008. I would have died of shame if I knew that 580,000 Americans are living homeless while I have a goddam giant aquarium in a \$154 million house. That would not make me pleased with what I had done with my life.

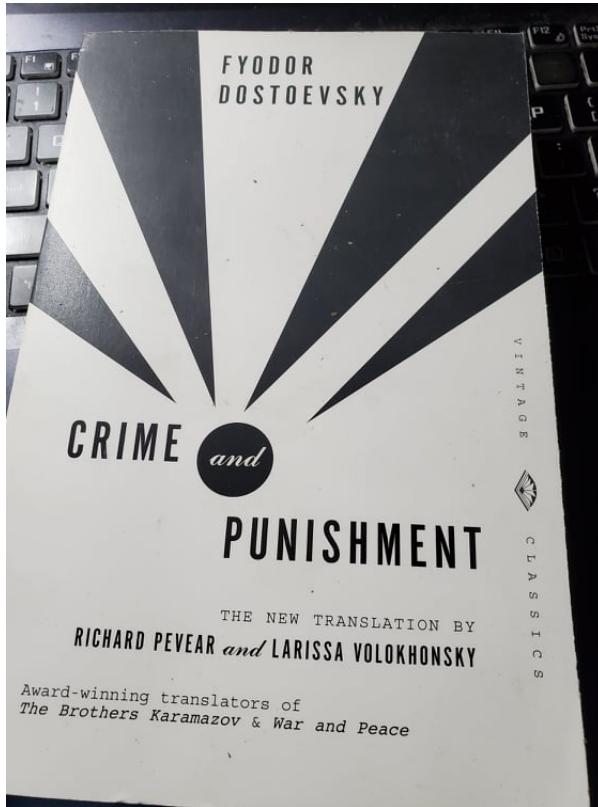

My book on Shelley represents an infinitely higher sense of taste than anything Bill Gates can achieve. He is ignoble crass gaudy riffraff beneath contempt.

## 18. ARISTOCRATIC TASTE IS SUBTLE TASTE

You see gaudy mansion and deceptive 'philanthropy' with a malevolent crusade against American Dream of non-white Americans like me is not impressive at all. I am a true philanthropist. In San Francisco in 2002-5 I sold newspapers of International Socialist Review when the reports of torture in Abu Ghraib came out. I have promoted in United Nations a Natural Rights World Order, which is the right next step for the world. Bill Gates, instead has been active, while walking around with jars of feces and talking in public about philanthropy, in a White Supremacist World Order. He has horrible disgusting disrespect for human beings. He has horrible lack of taste and education. He promotes *Enlightenment Now* a book that I am extremely familiar with, of Steven Pinker, in his *public presentation* as his favourite book while working behind-the-scenes to ensure destruction of opportunity, Life and Liberty of non-white people.

What man will ever consider a deceiver such as Bill Gates with anything but pure contempt. Virtues and Character are not granted by money. They are matters of *cultivation and habituation*. Bill Gates is contemptible universally. His tacky gaudy lack of sensitivity and glib presense of philanthropy offends the taste and refinement of all people of the world. He is positively disgusting.

Let me show you something else from a few of my favourite things.

I read this first in high school. I had become Atheist already in 1979 and it was reading Dostoevsky where I had refined my moral sensitivity and not from religious training. Years later, at Princeton, I attended the graduate course on Mikhail Bakhtin by Caryl Emerson.

Why don't you do a detailed examination of what Bill Gates *actually knows* about anything. He has an expensive for-show private library. You will find what is obvious to me, and clear from his promotion of *Enlightenment Now* in public with great convictions of a savage barbaric destructive actual activity against non-white peoples that he is a total charlatan about intellectual matters.

You see, *Enlightenment Now* represents a level of political sophistication that Bill Gates does not even possess for understanding. It is lightyears beyond his intellectual reach. He is a savage barbaric murderous tribalist who seeks 'white glory' in sacking and murder of people. He says "Natural Rights are claptrap". These are not compatible with the *presumed mindset* of *Enlightenment Now* which assumes that one has knowledge of developments during eighteenth century political thought through the French Revolution. Bill Gates' puny intellect cannot grasp these things.

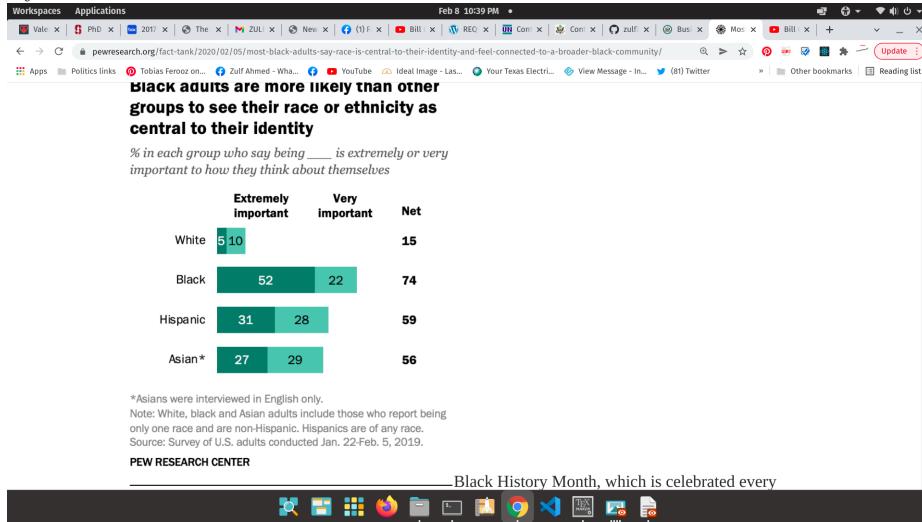

#### 19. ON BILL GATES' GLIB CERTAINTY THAT ALL WHITE PEOPLE SHARE SECRETLY HIS HATEFUL VIEWS OF NON-WHITE PEOPLES

First of all, accept the proposition that Bill Gates *implicitly has the conviction* that *all white people* share his disgusting hateful racial views against non-white people. I won't go into obvious sociological explanation from his roots in hick

podunk isolated frontiers of Pacific Northwest and its accompanying primitive tribal racial prejudices that are characteristic of rural isolated parts of America.

Now let me prove to you that these prejudices prove that his intelligence and intellect are significantly *below par* and significantly worse than the average college graduate in the United States.

First of all you have to examine the Pew Poll from February 5 2020. The report highlights something else but I am a serious Scientific mind, and so I ignore their analysis and focus on the data itself.

Let's evaluate Bill Gates' intelligence level for holding convictions about other *white people's* internal opinions even though there is a Pew Poll that tells us that only 15% of American Whites consider their own ethnicity *important to their identity* and among them 5% very important.

This is going to be a high level Mathematical Analysis Ph.D. Qual, but I think it worthwhile examining simpler problems like this. So data that is published by national poll, reliable source, reputable with long experience of trusted polls says proposition *P*. But Bill Gates trusts proposition *Q*. Now *P* is that all white people secretly (a) consider their own identity depending on their ethnicity at least as much as Bill Gates himself does, and (b) that in order to safeguard their self-esteem, they like to continuously repeat 'whites are superior whites are superior' as though there were a deadly war where non-whites are plotting to kill all the white people. Proposition *Q* is that 5% of American whites even think their ethnicity is very important to their *own identity*, 10% think it is important and perhaps 0.2-3% think that non-white people should be arbitrarily enslaved and killed and so on and that is speculation; these are really just people with extremely criminal and malevolent perverted mindsets.

Bill Gates' intelligence leads him to defy the published poll and trust that whatever he has in his puny narcissistic little mind had decided on hick podunk experience from frontierstown nowheresville in Medina Washington or wherever-the-fuck boondocks, is literally shared by 200 million American white people with *implicit agreement* on viewpoint *Q* and he actually has such immense conviction about his

knowledge of how the secret minds of all the 85% white people who publicly declared that they do not consider ethnicity important to their identity at all, are lying in a Pew Poll in a massive delusion.

You see, I do not consider this an intelligent inference at all. In fact it bespeaks of a man who is quite far from any luminary. You see, I am not white, and I can look at the data and instantly infer that unless I am dealing with a random person from 5% mark, I *should not* expect them to be extremely dangerously racial.

Now you may say, "Well to be fair to Billy Boy Gates, he might not have actually read this piece." Why didn't he? Is he really all that intelligent? Fine, ask him to read the piece [3].

## 20. WHY MY NATURAL RIGHTS WORLD ORDER IS ABSOLUTELY NECESSARY

Some advances in the human civilisation are hard-won, but they are far deeper advances than is apparent. They are not trivial advances and took many centuries. And their *value* cannot be gauged by ordinary normal thought of a pragmatic kind. You find these more in political philosophy than in even in the Sciences or Humanities. This is the case with rational foundations of a Multi-Ethnic Classical Liberal Democratic Republic.

The loftiness of the thought that led to the foundations of America were very high. It's not just idealism, it is extraordinary genius that lies behind it. The genius is, however, demanding to examine intellectually. As a result although United States Declaration of Independence spoke with the voice of the American People, with "We hold these truths to be self-evident" this 'We' was stylised and not empirical. In fact the entire 250 year history of America can be seen as a struggle for natural life of the American people constantly struggling with understanding *this* Voice, and struggling to discover if *this* Voice is our own voice.

But it would be catastrophic to consider the foundations lightly, for the loftiness was necessary, and was a struggle for the American people to understand for several centuries.

Racial inequality issues had totally dominated American politics for its entire history and continues unabated. And so we have an old—almost mythologically old-play repeat in the conflict of Zulfikar Moinuddin Ahmed versus Bill Gates. Now I am not amused at all because my Life, Liberty and pursuit of Happiness is destructively threatened by Bill Gates, by whatever esoteric powers that the malignant cretin had acquired in his deceptive criminal charlatan life and I have a great deal more to offer my beloved people than what I have already accomplished. But I do recognise in all this a deep struggle of Man to reach beyond the most primal and primitive, most animal instincts within our Nature.

## 21. THE MOST IMPORTANT SENTENCE OF MICHAEL TAYLOR'S NON-COMMUTATIVE HARMONIC ANALYSIS

groups or dilations.

Chapter 2 studies the unitary groups  $U(n)$ , and Chapter 3 pursues some general results about compact Lie groups. The complete description of the irreducible representations of  $U(n)$  and  $SU(n)$ , for general  $n$ , spills over into Chapter 3, where it is produced as a consequence of the Theorem of the Highest Weight. In fact, we give a complete proof of this theorem only for  $SU(n)$ . Chapter 3 contains a number of general results about compact Lie groups, such as the Peter-Weyl theorem and the Borel-Weil theorem. We have also emphasized the study of compact group actions on eigenspaces of Laplace operators in Chapter 3. The interplay between the orthogonal group and harmonic analysis on spheres is discussed in Chapter 14. Here we have tried to include short, simple derivations for a number of classical identities from the theory of spherical harmonics.

In Chapter 5 we discuss a major general tool for constructing representations of Lie groups, the method of induced representations. We discuss Mackey's results on systems of imprimitivity and applications to some important classes of Lie groups, such as the groups of isometries of Euclidean space and some other groups that are semi-direct products. This chapter also gives a proof of the Stone-von Neumann theorem classifying the irreducible unitary representations of the Heisenberg group. Chapter 6 pursues the study of nilpotent Lie groups. The theory of the Heisenberg group plays a crucial role here; the representation theory in the general case is reduced by an inductive argument to that of the

I have underlined the most important statement in Michael Taylor's *Non-Commutative Harmonic Analysis*. It is that in Chapter 14 he discusses the relationship between representation theory of the orthogonal groups and harmonic analysis on spheres. I will be quite honest and say that if it were not for the fact that absolute space is actually a four-sphere, this topic would not even be remotely interesting to me. The only reason I do care about this is because it so happens that absolute space in which we exist is an exact four-sphere of radius  $R = 3075.69$  Mpc and therefore the careful study of representation theory of orthogonal groups and harmonic analysis on spheres is extraordinarily important to me and to all of Science.

All these 'smartest guys in the universe' who come in cartons and crates in the menial world of Bill Gates are not going to get very far with their disrespectful attitude in serious work in Mathematics. Now I am not surprised by the arrogance of this dipshit talentless illiterate tasteless gaudy little shit Bill Gates. Apparently in the Ostrogoth Savage culture which he lives calling all refinements of Civilisation are trivia and destruction of people are valued highly. But in the world I come from, the world of *Civilisation* we emphasize the *Civil* not the "He's not white he's not white. I'm big, I'm big and I have the right to kill him. I do that routinely." I have never met a white person myself who thought this was thought of Civilised people.

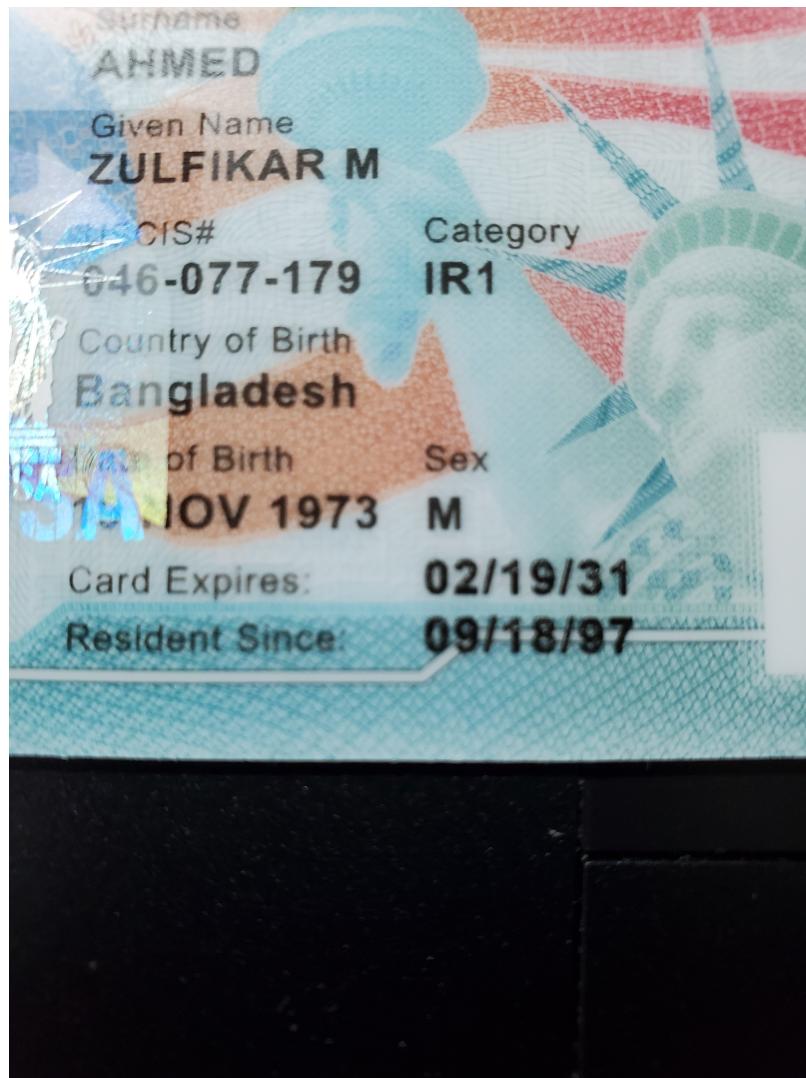

## 22. BILL GATES JUST SAID HIGH UP TO MATHEMATICIAN MICHAEL TAYLOR THAT THERE IS A NEW ORDER AND UNITED STATES GOVERNMENT WILL KOWTOW TO BILL GATES WHITE RACIAL ORDER

This is a global threat when Bill Gates tells people high in meta that there is a New White Racial Order. United States Government is *obliged* to destroy him immediately because his White Racial Order contradicts US Declaration Of Independence Preamble where it is stipulated clearly that United States Government

will secure Natural Rights of 300 million Americans. Why has the United States Government still not destroyed this traitor to our Nation, this *Bill Gates*?

### 23. LOCAL POLICE COMES TO CHECK WITH ME FEBRUARY 9 2022

I feel not very good at all, as my sleep has been badly disrupted by constant Bill Gates considers and he is extremely brutal and aggressive. The local police got a phone call from Life Path because I was trying to sleep and could not very well. I have not gotten any peaceful sleep in more than a year as Bill Gates invaded into my meta with all manner of powers (a) White Racial Power, (b) US Industrial Power, (c) US War Power, and (d) European Black Magic Power forbidden from thirteenth century. He then attempted Conquest and Enslavement powers on me repeatedly. Over the past year I found out that he had lied to high level US Government Officials and told them that I had *forged papers* while I am American and here is my actual Permanent Residency expiring in 2031.

I repeat that any and all use of these or any other powers by *Bill Gates* against my person damaging my physical health is a strong violation of my natural rights that are secured by the United States Government. The United States was founded with the principle that the government exists to secure all Americans' natural rights. Bill Gates, who surely flunked all his American Government and American History courses does not hold American principles at all, for he does not believe in natural rights security. He has constantly called natural rights 'claptrap' in my meta. His exercise of power on me is strongly against US Industry norms because not only have I never been his employee but I totally despise him and have contempt for him as he does not pass my grade for civilised virtuous gentleman, is not at all an intellectual luminary but is a charlatan college dropout who pretends to be well-read and educated but is lying all the time on television interviews. I believe that he is a charlatan who succeeded not in the way he presents to the public, by hard work, but instead by systematically using various illicit harmful powers illegitimately against the eyes of various people and then *destroying their interior and harming their health* and acquiring their resources, pushing them to suicide. In other words, I believe that he has always been a parasitic harmful predatory pathogen and it was wrong of United States Government to support him at all. He has never been a philanthropist at all and has always been a zealous believer in white supremacist world order although in public presentation he seemed otherwise.

I know from recent and unsavory contact with him that he believes, wrongly that *white happiness* depends on misery and deprivation of nonwhites, that nonwhite people are *not susceptible to pain*. On both of these I have results to the contrary. I had found that year-to-year happiness changes in England between whites and blacks have a *positive correlation* of around 26%. He believes, from his meta chatter, that white people are rulers *and that their purpose is to be evil, to cause misery and harm to non-white people*. These are unorthodox beliefs which are not surprising to me. He also revealed the conviction that Hammurabi was white. These are erroneous beliefs. Hammurabi was Amorite, and the descendants of Amorites are the contemporary Iraqis and Syrians. He was definitely not white. During the time of Hammurabi, Europe was not advanced enough in Civilisation to have any involvement with Mesopotamian politics at all.

The problem here is that Bill Gates is arrogant power-monger who is unconstrained by the legitimate government powers and the government is corrupt enough that Bill Gates is *supported* by the United States Government even though some high US Government officials know that Bill Gates has been killing people by these metaphysical exercise of illegitimate powers since early 1970s. He was boasting in my meta that he had been liquidating people arbitrarily since 1970s. He would like global monarchic power and is directly involved in a plot to collapse the United States Republic for a White Racial Order. I am quite confident that these are true, even though I do not have high enough power to consider these myself.

I believe that the world will be ill-served if Bill Gates is not stopped immediately, that he is a malevolent criminal who is not at all an intellectual genius and whose efforts are Dystopian for 100 million non-white Americans and for billions around the world and that United States Government is *obligated* to totally destroy Bill Gates because he is both a deceptive charlatan and a grave threat to peace and security of the world.

#### 24. BILL GATES DOES IS TOTALLY BRUTAL AND SAVAGE IN EXERCISE OF ILLEGITIMATE POWERS

Let me list a set of powers that Bill Gates exercises. Then I will tell you why their exercise is illegitimate.

- White Racial Power
- US Industrial Power
- US War Power
- European Black Magic Power
- German War Power

**24.1. European Black Magic Power From Thirteenth Century.** First, note that *European Black Magic Power* was forbidden in the thirteenth century by Europe's Monarchies under pain of death. This is very harsh power, and it is *meant to harm health of people and kill them*. That United States Government knows this—for it was FBI in meta who had discovered this and not myself—and did not remove and eliminate him from American Society immediately is a testament to the corruption of our government. No nation of Europe or Asia would allow someone who uses this sort of power at all to live. And here in America, Bill Gates says "Black Magic is bread and butter of US Industry". It is not bread and butter of US Industry but bread and butter of *Bill Gates* activity.

I would urge United Senate to criminalize and remove from American Society not only Bill Gates but all found using this horrible power. It is not for nothing that Christianity, Islam and Judaism all strongly forbid this practice.

**24.2. US War Power.** Bill Gates used copious amounts of US War Power against me in my Deep Interior and my Blood Meta.

First of all it is deep corruption of United States Government that he has any *access to US War Power*. In fact no United States Government official, elected or appointed has any authority to give anyone who is not authorised to use US War Power from having any. But Bill Gates, who is not a Defense Official at all nor an elected representative of the people sworn to secure natural rights, possesses US War Power. This is a failure of United States Government. US War Power is the sole business of United States Government for *National Defense* and not for dilettante charlatan industry people like Bill Gates to use at all.

Second, he exercised US War Power against an Asian-American. This is *Treason*. This would lead to immediate court-martial of any US Defense Official. But for whatever reason the United States Government does not destroy him even though *they know* that he had used copious amounts of US War Power against me to damage my Body Meta claiming that he does not *consider me* American.

Who the fuck is he to decide who is and who is not American. I have lived most of my life in America and legitimate American immigration papers. Once again, here is a photograph.

Bill Gates cannot 'consider me not American' legitimately because the process that leads to my Permanent Residency is from democratic rancor of a *century*. United States Citizenship and Immigration Services have professionals who are trained in immigration law in this country, and these are quite delicate depending on democratic rancor from 1920s, from 1940s, from 1965, the date of Immigration Act of 1965, that for the first time removed all barriers to Citizenship for Asians. The country is now 60% white and 40% nonwhite and there is very little likelihood that Bill Gates has the political acumen to make significant changes to immigration law at all, and besides I have had legitimate Permanent Residency from 1996 for more than a quarter century. He would need a Constitutional Convention to Amend the US Declaration Preamble that declares quite clearly that all men are created equal and government exists to secure not only natural rights of white people but also American people like me who are not white. Bill Gates is not the monarch of America. He is a businessman. He pretends that he can change the law in a democratic Republic by corrupting the government. He has *absolutely no ability* to change basic truth of history that I am American. But that does not matter to him. He arbitrarily considers me 'not American', then lies to senior government officials and tells them that I have 'forged papers' even though he has never met me in person in his entire life, and proceeds to use US War Power against me in ways that are not even legitimate to use against *Prisoners of War* by the Nuremberg trials. He claims 'Conquest Rights' when they have been totally nixed in the 1940s. He should be brought on trial for Treason against the United States for using US War Power against an Asian-American man at all. But for whatever reason, the United States Government does not do a damn thing.

**24.3. US Industrial Power Used To Harm My Deep Interior.** During a Harvard tenure consider in meta, Bill Gates intervened with huge amounts of US Industrial Power against me to directly harm my exoskeleton. He uses US Industrial Power in unorthodox ways against individuals to harm them, which is totally against US Industry norms. US Industrial Powers are meant for US Industrial processes, and not to harm the health of Americans. This is a grievous misuse of US Industrial Power and after verifying that he has done this directly, all US Industry Leaders ought to excommunicate him from US Industry altogether. US Industrial Power is not for personal use against Asian-Americans. He has absolutely no constraints and uses power in any which way he wants and the United States Government does not stop him. He is not the absolute king of United States and 100 million non-white Americans risk losing their lives, careers have damage from this man.

**24.4. White Racial Power.** White Racial Power is for benefit of white people. White Law prohibits the use of white racial power breaching the blood meta of non-whites. I am not an expert on this, but Bill Gates violates all White Law because he believes that he has arbitrary immunity and believes he is *entitled to use white racial power* in criminal manner violating the natural rights of Americans who are not white. He has absurd ideas that it is the purpose of white man to produce misery and destruction to non-white people. This is not even popular among 1-2% of white people of the country but he abuses white racial power using it destructively against non-white people. This obviously does not help the 200 million white people of America. Most white people who trust him with any White

Racial Power are obviously unaware of his misuse of communal powers because he presents himself in public to be a philanthropic saint.

He is a total charlatan, and a malevolent scumbag who is plotting all sorts of racial orders that are dystopian instead of doing any productive work in technology at all.

My ideas for *Quantitative Positive Psychology* and *Global Individual Debt* and other initiatives are a million times better and more important than his horrific ugly political ideology that he hid from public all the decades he was pretending to be a philanthropist and he is sabotaging my earnings and blockading my progress for a *totally lurid horrible evil racial agenda* that American people could never gain consensus.

Why is the man still free? He has to be brought to justice and stopped before more and more and more Americans who are totally unsuspecting are hurt by him.

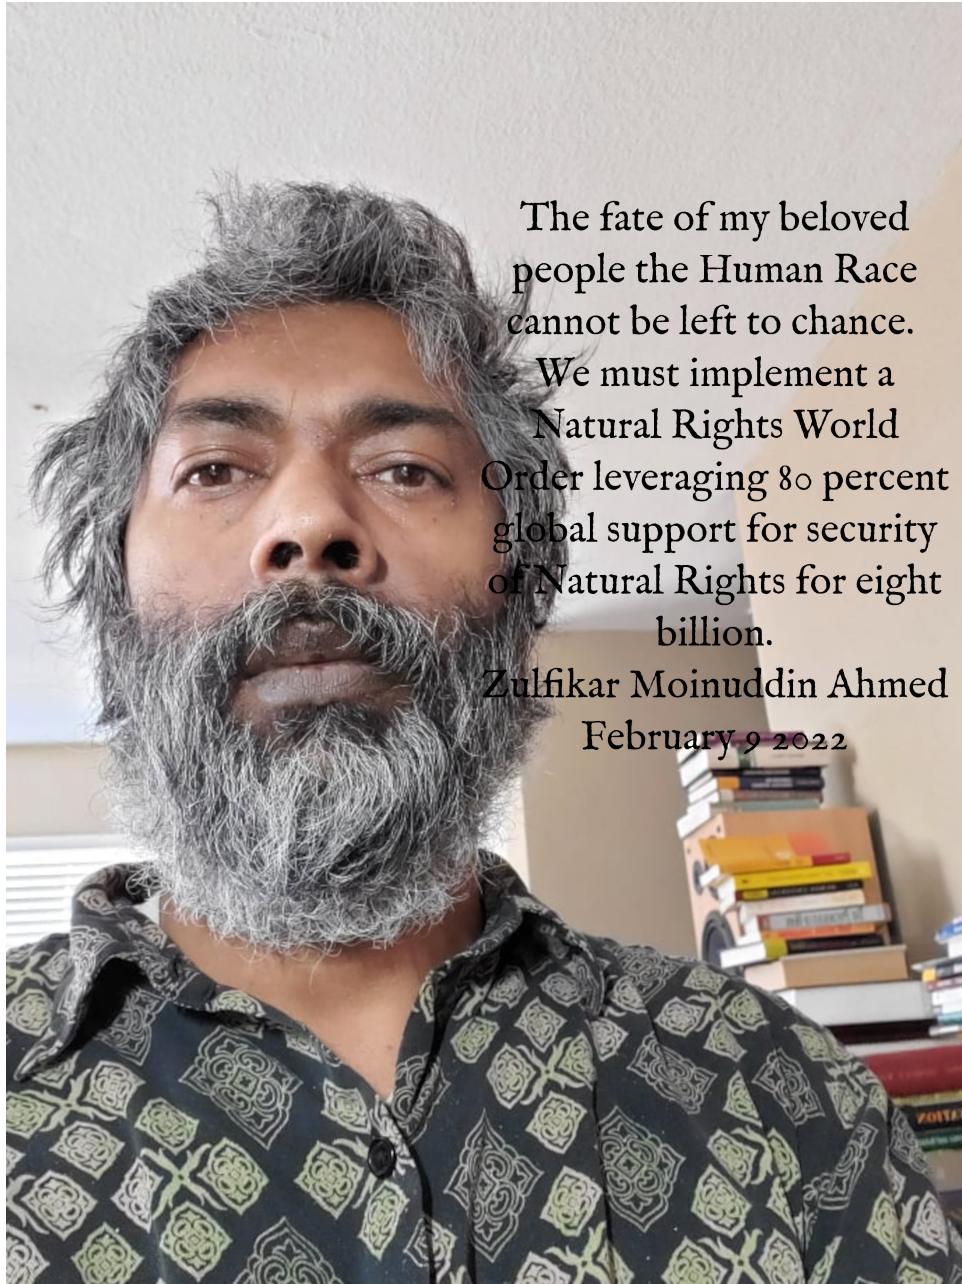

## 25. RIGHTS AND RESPONSIBILITIES OF EVERY AMERICAN

Bill Gates obviously has a right to hold whatever racial views he wants—whether right or wrong. His views happen to be wrong because there is no evidence for multiple races on genetic evidence in the species *Homo Sapien*.

What he did not have a right to do was surreptitiously invade my meta with *extremely aggressive* use of (a) US War Power, (b) White Racial Power, (c) US Industrial Power, (d) European Thirteenth Century Black Magic Power, and furthermore sabotage my earnings for providing D. E. Shaw & Co. breakthrough work on Medium Frequency Alpha Strategies where Bill Gates has invested \$2 billion and India invested \$4 billion but he *forbade* D. E. Shaw from paying my cut of \$120 million arbitrarily. He has no rights to do those things. Furthermore, he has a secret conspiracy for a *Dystopian White Ruled World Order* which goes against the US Declaration Preamble altogether that he does not want to discuss and instead use illegitimate powers without any public effort to clarify his political ideology with the idea that he can produce a Government in America that is favourable to a Nazi-Style White Supremacist Order.

It is a matter of grave concern when malevolent intellectually incapable charlatans with extremely aggressive dystopian and vile destructive ideological views that are at odds with majority of American People are tolerated by our government and indeed given great adoration for lies about his great genius. *Even his skills in coding and technology are menial. I took a Codility Exam in 2018 and got an A out of A+ for an interview with Swirls, a company focused on bitcoin-type work* and I have yet to see a single line of code by Bill Gates. He is a total charlatan in coding too.

26. THE GREAT POLITICAL STATEMENT OF ZULFIKAR MOINUDDIN AHMED ON  
FEBRUARY 9 2022

The fate of my beloved people the Human Race cannot be left to chance.

We must implement a Natural Rights World Order leveraging 80 percent global support for security of Natural Rights for eight billion.

Zulfikar Moinuddin Ahmed  
February 9 2022

I am extremely sure that this nefarious villain *Bill Gates* has been involved for his entire life from 1955-2022 in a secret sinister plot for a *Racial World Order* while pretending to be a philanthropist and a hard-working technologist. In fact his talents in coding are menial and he has no significant talent alone. His real purpose had been to deceive the world while plotting a racial order just like the Nazis in

Germany. These sorts of threats to our Life, Liberty and pursuit of Happiness need to be handled at a *global scale*. I have been active in seeking unity of Asia against potential wars from the United States. I have been proposing a *Natural Rights World Order* immediately at the United Nations so that United States cannot produce any Racial Order with lax monitoring of threats and refusal to secure natural rights of Americans like me when they are aggressively attacked by *pathogens* and *parasites* and *predators* who are lawless, barbaric, and savage like Bill Gates, and who pretend to be civilised and philanthropic only for their television interviews.

#### 27. WHAT BILL GATES DOES IS NOT MINOR NUISANCE BUT GRAVE CRIMES AGAINST HUMANITY AND WAR CRIMES

Breach of blood meta, invasion of deep interior, use of *Pain Meta*, cutting into eyes with excess amounts of destructive and illegitimate use of US War Power, of US Industrial Power, of White Racial Power, causing harm and injury to an American man's health, claiming *Conquest Rights* and attempting to *Enslave People* my esoteric meta means, sabotaging people's legitimate income from their professional achievements in Finance, these are crimes of which I am accusing Bill Gates.

These are not minor issues. They are *grave and deadly crimes*. Considered by UN Security Council and institutions with high power will validate my accusations.

#### 28. ISSUES OF ELITISM

Obviously I am elitist intellectually. I am a Princetonian with enormous erudition and I am accomplished in intellectual matters and have attended Columbia University for graduate school, albeit without a successful doctorate in 2000.

But this does not mean that I believe in *exceptions for Natural Rights Security*. I believe in strong protection of Natural Rights for eight billion people across the globe. I do not believe this is unrealistic idealism. I believe this is *Pragmatic Necessity*. I do not just hold Bill Gates in contempt and despise him personally – which I do. I hold Bill Gates with extreme disregard and do not respect him at all. But I even more strongly oppose his political ideology.

Universal Security of Natural Rights is not an option but a *necessity*. Bill Gates is not a philanthropist at all, and has never been a philanthropist. That is a *gimmick*, that is for business purposes, to sell things and to seem pleasant. In reality he is colluding a vile dystopian world order and has extremely destructive and *hateful* views towards non-white people. He is a grave threat to 100 million non-whites and billions of non-whites globally.

In contrast I do not consider separate races as real at all. I believe that the human race, white or non-white are *one people* whose internal harmony is disrupted by vile disruptive malevolent criminals like Bill Gates.

#### 29. PROBABILITY OF MY DEATH IS A BIT MORE THAN 55-60% WITHIN THE NEXT YEAR BUY DIRECT POWER MANEUVERS OF BILL GATES

The local police and justices and FBI are deluded. I am not a sniper threat to Bill Gates. Rather, it is his power maneuvers and destructive invasion of my meta that is threatening *my life*. I don't even know of anyone in history whose *Deep Interior* has been invaded by (a) White Racial Power, (b) US Industrial Power, (c) US War Power, and (d) European Black Magic Power forbidden in Europe since

thirteenth century. Obviously I will want Harvard Law School and Stanford Law School to be aware that this is life-threatening to me.

Bill Gates is a vile and dangerous racial supremacist who projects in public an image of benevolent philanthropist but in fact he is one of the most vile, disgusting, evil, White Racial Order leaders who has not just disregard for non-white lives but is a racial murderer by illegitimate power exercise that is hidden from ordinary levels.

Now local police and lower level FBI officers are not high enough in power to consider and verify this but Harvard Law School, Stanford Law School, and UN Security Council and UN Human Rights Council, the US State Department and other higher US Government Executive Branches do have high power and can validate this.

I do not have the capability to prove his guilt directly, but I do know it is Bill Gates because I can hear his considers nonstop and day and night.

"Bill why don't you leave the man alone," says someone from Harvard Law School. "He might die."

"So what. I'm white and nothing will happen," says Bill Gates.

That is the reality of my situation, not any psychiatric delusion.

### 30. THAT'S CORRECT BILL GATES' ARROGANCE WILL BE HIS UNDOING

The US Government man who says "Your arrogance will be your undoing" to Bill Gates gets a vote from Zulf. Now I want to pursue my American Dream, continue on with \$620 million I owe from Finance, send money to my sick mommy who needs resources stalled by this cunt Bill Gates.

Why don't you stop doing drama and do more undoing huh? No one actually stopped you from removing this malevolent parasitic racial murderer years before he harmed me. Why don't you do the undoing fast so I can go merrily on my way?

### 31. BILL GATES YO LISTEN UP

Look Bill Gates, you are no longer in a good situation. Both Harvard and Stanford Law School are considering damage to my body, with all manner of heavy meta and Pain Meta and Enslavement meta near me and Asia will get involved right away. You're not going to get your White Racial World Order with Bill Gates the Secret Emperor kiddo. Why don't you stop trying to kill and enslave me and unblockade my \$620 million right away before your Empire crumbles into nothing and you're killed for Treason eh?

### 32. WELL I AM NOT A MARTYR TYPE EXACTLY BUT IF I DIE FROM BILL GATES WOUNDS I WANT 4.5 BILLION ASIANS FULLY PROTECTED

There is a higher and higher likelihood that Bill Gates illicit and destructive, savage, barbaric assault on my life by high power means might succeed and he might kill me. But if that happens, I would rather spark a movement in *Asia* to ensure that the White Order Movement is totally destroyed in America. Now that Stanford and Harvard are involved, they will eventually take down Bill Gates legally since he is a direct existential threat to US Declaration of Independence Preamble and the current basis of law in the United States where government's purpose is to secure all Americans' rights and not only white people.

What's the point of dying as a victim and a sorry son of a bitch who is constantly being told that the forces that are literally keeping me up and harming my health for more than a year are *delusional* and that I, and not the evil malevolent, totally deranged and demented megalomaniac *Bill Gates* is not the criminal threatening *my life?*

I can easily ensure that I was the great man who promoted *Natural Rights World Order* following American Greats like *Eleanor Roosevelt* and I accused the habitual racial murderer *Bill Gates* of habitual racial murder and sabotage his diabolical but foolish White Order claptrap before the Kristalnacht is re-enacted on American soil?

### 33. BILL GATES DOES NOT BELIEVE IN US DECLARATION PREAMBLE SO HE IS LESS AMERICAN THAN ME

Just because Bill Gates *looks* American-ish does not make him so. I, Zulfikar Moinuddin Ahmed, hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator certain *inalienable* natural rights, that among them are Life, Liberty, and pursuit of Happiness, and that governments, including our own are instituted among men to *secure* them. I am 100% American genuinely and truly and believe these things.

Bill Gates may look American-ish but he will never measure up to my pure American-ness in a thousand years. He says, "Obviously not" about to US Government consider when asked if he believes these things.

This settles this matter for me. I am much more American than Bill Gates. Now it's February 9 2022 4:58 PM in Allen Texas, and I want to show you what a true American looks like. But I'll do that after shaving etc.

This is so good. I now have certainty that I am more American than Bill Gates from his own words.

### 34. UNITED STATES GOVERNMENT CAN YOU DELIVER MY \$620 MILLION TO ME PAST BILL GATES BLOCKADE?

United States Government, I am owed \$620 million from D. E. Shaw & Co. and Madam Christine Lagarde. Bill Gates had been able to blockade all earnings and money to me for more than a year. Can US Treasury now overcome the blockade. It's a grant from ECB from Madam Lagarde and I am owed \$120 million in compensation from D. E. Shaw of New York. Please do this as soon as possible. I have a lot of things to do I don't have time to deal with racial claptrap of Bill Gates. He's totally deluded if he thinks that American People will give up their normal political ideas for decades and decades and suddenly become Nazi Racial freaks just because Bill Gates wants it.

### 35. BILL GATES WHY DON'T YOU MOVE ALL YOUR SEMEN, SALIVA, AND OTHER BODY PARTS CLAPTRAP OUT OF MY META

Bill Gates United States Government is starting to do sensible considers and will fix up my meta. Why don't you move all your semen, saliva, and other body parts out before you get hurt?

You're an evil baddie, but even an evil baddie does not deserve to be smashed up by a Mack truck and become a flattened roadkill.

36. BILL GATES LISTEN KIDDY BACK OFF UNITED STATES GOVERNMENT IS  
DOING A CONSIDER TO SHORE UP NON-WHITE NATURAL RIGHTS  
ALREADY

Look Bill Gates you're a charlatan who got treated with kiddie gloves all your life so you don't actually know the United States Government. You're not on their good books any more. You didn't even go to Vietnam and live in the lap of luxury. They are a totally lethal organisation Bill Gates, don't get in their way.

Have you heard the Terran Marines in Starcraft II? They're just like that.

They don't follow my agenda or your agenda. They are the government of a 300 million people nation following laws determined by a messy democratic Republic, so once they are doing a natural rights consider they'll be like those Marines, "Gimme something to shoot" etc. Don't get in their way, give up all this White Racial Order craptrap and stop blockading my money. Otherwise they will end up confiscating all your property and send off to a Favela in Rio De Janeiro with a different name and no one will ever figure out what happened to Bill Gates.

How's your Portugues? Like Fado? They have great Fado in Brazil and Soccer too. It'll give you some perspective.

37. HOW TO TELL THAT BILL GATES IS A TOTAL CHARLATAN

You see here is the library he has in Xanadu 2.0.

That's pretty impressive, Billy Boy. That's a great library. So why is it that right in the *middle* of a consider by United States Government on my natural rights and such you start gabbing about you plans to enslave me and other Asians, huh? A great intellectual genius, are we? Now tell me Bill Gates, those books look pretty in the library. Did you actually *read* any of them at all? You didn't know that slavery was *abolished* with the end of the Civil War in the United States in 1860s? You did not know that since United Nations formed it is considered by international law a *crime against humanity*?

You see, *total ignorant charlatans like yourself* should not be messing with me at all.

### 38. ZULF SHOWS YOU HOW REAL STUDIOS HAVE THEIR BOOKS

You see, fake intellectual geniuses like Bill Gates are just using their bookshelves and grand libraries to fool people that they are studious and intellectually developed. They are fakes like Bill Gates. They're not the real shebang, like Zulfikar Moinuddin Ahmed.

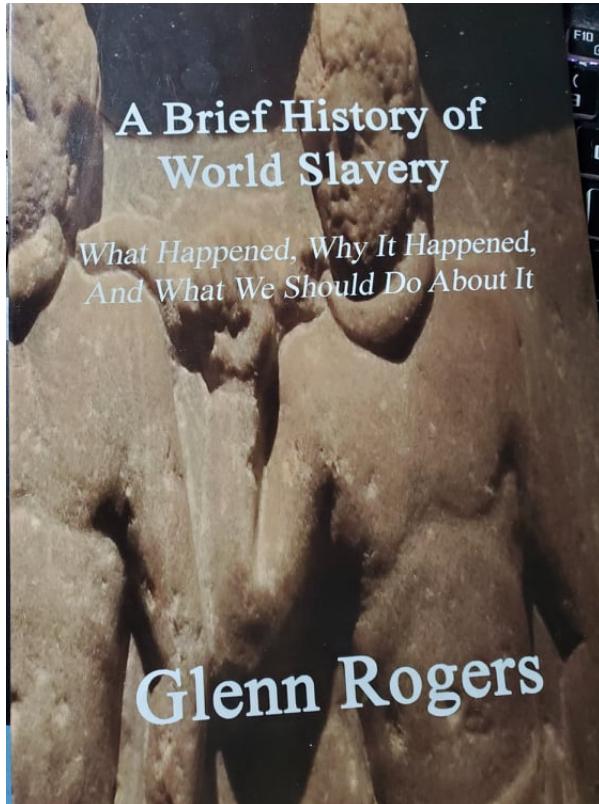

See, this is what my work area looks like.

Not as pretty, is it? Bill Gates is a fake charlatan intellect. He's not the real thing. I am the real thing. Many others also are serious about intellectual pursuits. Bill Gates is internally just a savage barbarian Ostrogoth chomping at the bits to sack Rome pretending to have intellectual talents and development while in reality he just puts books for show to impress his 'quite mature for their age' young women to bed.

### 39. BILL GATES WHY DON'T YOU LEARN SOMETHING ABOUT HISTORY OF SLAVERY?

Bill Gates, your aggressive zeal for enslaving me is quite touching, but unfortunately I am not interested. Why don't you learn something about history of world slavery instead of trying to enslave me and other Asians? You seem like you flunked out of high school history and are pretty confused.

Here, this is pretty good and short. Read for real, kiddo. You can't fool me at all. You don't read a goddam thing do you?

#### 40. ZULF'S TRUST IN US GOVERNMENT ACTUALLY DOING ANYTHING VERSUS OBSESSIVE DESTRUCTIVE ZEAL OF BILL GATES IS LOW

You see, Bill Gates had been on a rampage against me from more than a year ago and he is obsessed with destroying and harming me. He's like a rabid rottweiler, totally obsessive and savage and bereft of any semblance of rational sense, totally murderous. I have seen a hundred US Government consider come and go and he had already done enough harm to me in meta by November 4 2020 that, by the consider of Royal Menders of Queen Elizabeth was enough to kill any Bengali man at all.

Now I see another US Government consider. You see, Bill Gates is totally murderous and savage and irrational and does not respond to any reason, just like a rabid rottweiler. I am sorry but I cannot trust US Government to ensure my natural rights security at all till (a) I see actual \$620 million and (b) I see Bill Gates totally neutralised from harming me.

I am not the one obsessed with Bill Gates. He's a nobody to me. I just contacted him because I was at an impasse and needed some investors in my Medium Frequency Alpha Strategy with D. E. Shaw & Co. He put in \$2 billion and simultaneously plotted to destroy me totally. Later I found that he was an extremely

zealous destructive savage evil White World Order Man and *all his PR* about philanthropy was fake. He's one of the most evil cunts ever born, much much worse than the Auschwitz butchers of Nazi Holocaust.

So why doesn't United States Government show me results instead of empty promises?

#### 41. GREAT VINDICATION BILL GATES WAS ALWAYS EVIL ORIENTED

Bill Gates admits to US Government consider that he has *always* been Evil Oriented. This is great vindication of what I suspected for a while. He is a Demon Soul born in human body from 1955. I am displeased now. I am a high ranking Archangel of Heaven – yes yes by my faith and I won't show you any proof – and I will most definitely have a word with Demon Lords of the local Galaxy Cluster the moment I leave this human life and demand an explanation. It is highly irregular for Demon interference in Archangel work in an Angelic World. We have treaties against this vile disturbance. I knew this *Bill Gates* was an Evil Demon.

#### 42. FINE I WILL EXPLAIN MY FAITH A BIT MORE

According to my faith, I am an Archangel who is billions of years old in the universe having my second human life on Earth. I entered by my soul entering the fertilised egg of my mother roughly February of 1973. This is an Angelic World, meaning that the inhabitants, Homo Sapiens, are a Primitive Angelic Species. There are millions of worlds just like this in the Universe. There are other worlds with Demonic Races.

We, Archangels, consider this world and other Angelic Worlds *our turf*. This does not mean we rule over people or any such nonsense. We don't like *Demons* invading our worlds and enslaving everyone and leaving them in ruins with bloodshed and wars tearing up the worlds.

In fact we really despise those situations. Yes, we feel a little bad for all the innocents who suffer. But much more importantly *WE LOOK BAD*. We hate looking bad.

#### 43. MY FINDINGS SHOW LITTLE DIFFERENCE IN MORAL VALUES OF MUSLIMS AND CHRISTIANS

This world's Muslims and Christians are holding roughly the same moral values. Muslims are more zealous about their faith but otherwise not much difference on most values. I will share these great results with Stanford University. I am far more worried about *extraordinarily Evil people* like Bill Gates. I am an Archangel and I cannot fail the Great Conscience of Archangels of Heaven after all. We are Archangels, and we prefer Natural Rights Security for all human beings. We are not impressed with the primitive state where human beings are divided into various tribal enclaves. Human Race is obviously a Single Race in a Primitive State without ability to recognize their own race yet.

That is fine. You're better in Virtues than when I was last human, between 1180-1300 England. Then you were not even able to go to the next block without Crusading and slaughtering. It's fine, you're a little *slow* but not exceptionally so.
