

AMERICAN WHITE HICK ILLITERATES (LIKE BILL GATES) WILL BE HELD AS DEPLORABLES BY URBAN EDUCATED PROFESSIONALS OF ALL ETHNICITIES

ZULFIKAR MOINUDDIN AHMED

On emailing IBM with some of my recent work I just realised this that for urban educated professionals in America, *hick illiterate American whites* are much more deplorable and held in lower regard than even villagers from Afghanistan. And there is reason for that. You see, villagers from Afghanistan have much more charm and grace and are nicer than American white hick illiterates who are, in addition to their horrible lack of cultivation, also quite dangerous and violent. The latter are likely to have guns and intemperate manners and could be murderous. Villagers from Afghanistan are much more gentle people.

Now Bill Gates is not the only hick illiterate in America who thinks Hammurabi is white. But he is one of the most dangerous men on Earth as well.

What Bill Gates does not understand is that an urban educated professional will immediately take my side against him in a heartbeat because I share values with them whether they are white or not. Mostly the white urban educated professional will feel much more comfortable with a Princeton Man who is reading M. H. Abrams' *Natural Supernaturalism*, which is a sophisticated tract, rather than what the hick illiterates' reading list for real, such as the hypothetical *Kill The Moslems and let God Sort Them Out To Prevent White Genocide*.

1. A NEW FRONT FOR WAR TO TOTALLY ANNIHILATE BILL GATES

I am on a mission to destroy Bill Gates and obliterate him physically. I have my reasons for this. But I am starting to see a new front in my war to eviscerate and extinct Bill Gates, one of the key members of the Enemies of Liberty of the Human Race.

This new front is a finesse play to divide that American White People into various parts and corner him into a spot which is his, and then gain favour with the other.

Let me briefly explain this front. So even though Bill Gates seems to project his intellectual development in his self-promotion material, this is all fabrication. The man likes to pretend that he is gifted intellectually but he is not. He lied about his SAT score and even though he promotes Steven Pinker's Enlightenment Now as his favourite book, he is not able to understand the content of the book. This is clear to me because he repeats "Natural Rights are claptrap" nonstop in meta. No one who has read and understood Pinker's Enlightenment Now would be near this position.

What I want to do is divide all American Whites roughly into Hick Illiterates and all other White Americans. And I want the favour of the latter group and push Bill Gates into the Hick Illiterates group. I believe this strategy will yield fruit and

weaken his democratic support sufficiently that I can then use various state powers to kill him quickly and with public support.

With these preliminaries let me first show you a poster I just made.

This poster represents the stereotypical Hick Illiterate American White. The political goal here are two-fold. First, I have to get a lot of American Whites interested in branding the stereotype. Then I need them to distance themselves from Hick Illiterates. Then I want to push Bill Gates into this pool and kill him with the support of those American Whites who are not Hick Illiterates.

At first sight, it seems quite a difficult task but I think this is achievable. The theory is that if a given American White person refuses to fall into this Hick Illiterate with any strength of conviction, they will have a strongly derogatory view of Bill Gates. And that's what we want. We want a strongly derogatory view of Bill Gates by a critical mass of American White People so that his execution by various state powers is a welcome relief and a matter of joyful celebration for American Whites overall.

2. WHAT'S IN IT FOR AN AMERICAN WHITE TO DEPLORE HICK ILLITERATES?

If you are an American White Person, you should deplore Hick Illiterates and hold them in low regard. Furthermore, if I persuade you that Bill Gates belongs to Hick Illiterates, then you should seek him to be excommunicated from American Civilised Society and be glad if the Government executed him and exiled him from the land of the living. Let me attempt to tell you why you ought to take these positions.

First of all, there is no White Genocide in progress. White People have good well-being, and there is no genocide at all in progress against White People. If you are a respectable White person you ought to be far more sympathetic to the real genocide of Native Americans that occurred in this country and be less concerned about any White Genocide. Let me give you some statistics to make this clear. These are the death rates in 2019 by ethnicity in America. They are reported as deaths per 100,000 people per year [1] As you can see clearly, the death rates of

	Ethnicity	Death Rate
1	White	736.80
2	Black	870.70
3	Hispanic	523.80
4	Asian	384.90
5	Native American	767.30

African-Americans and Native Americans exceed that of whites. In particular, it is not particularly effective strategy for White Americans, who are not facing death rates of blacks and native Americans to either believe that there is any White Genocide in progress or that they are worse off than blacks and Native Americans in their mortality rate at all. So you are better off being rational here because non-white people – and I am speaking from my own experience since I am just one person but non-white – are extremely unimpressed with White Americans who are unsympathetic to suffering of everyone else and then pretend to be victims of all sorts of grave dangers they are not facing at all and then bombing and killing people all over the world without restraint.

Second point is that Muslims had nothing to do with September 11 2001 attacks at all. In reality some wars were planned unilaterally in Washington by neo-conservatives, and Israel's Mossad just sabotaged some planes and demolished

some buildings without a single Muslim person doing any hijacking and fabricated the perpetrators to trigger two decades of wars. Hick Illiterates were gullible and bought into the fairy tale of Muslim threat to America.

These two points imply that a White American who is considered Hick Illiterate will most certainly be held in very low regard by most non-whites. I recommend that you join them and remove yourself from any danger of being considered a Hick Illiterate yourself.

There is a great deal of evidence that Bill Gates is a Hick Illiterate. He believes Hammurabi was white. So it is in your own best interest to consider him a Hick Illiterate and distance yourself from him.
